independent documentary evidence of your identity and/or address (for example electricity bill as proof of address or passport as proof of identity). If we have not received satisfactory documentary evidence within three months of receiving your application for a HiSAVE Fixed Rate Account, we will reject the application and you will have to re-apply online to open a new HiSAVE Fixed Rate Account

- 2.2. We may refuse any application to open a HiSAVE Fixed Rate Account, but we will notify you if we do so.
- 2.3. The HiSAVE Fixed Rate Account will be opened in GBP only with a minimum investment required of £1,000 (no maximum limit).
- 2.4. You cannot make withdrawals from the Account during the fixed term.
- 2.5. No additional deposits are allowed during the term of the HiSAVE Fixed Rate Account.

- 2.7. At the time of opening the HiSAVE Fixed Rate Account, you can choose to:
 - a) Automatically renew the Account for the same term on maturity. If you wish to automatically renew the HiSAVE Fixed Rate Account on maturity, select the 'Auto renewal' option in the online application form. For more details, please refer to condition 18;
 - b) Close the Account at the end of the term and transfer the funds to your HiSAVE Savings Account.
- 2.8. If you already hold a HiSAVE Savings Account you will be able to open a HiSAVE Fixed Rate Account by submitting a request online by logging into your Internet Banking through the website or calling our Customer Service Centre at 08081 31 41 51 (freephone from UK landlines).
- 2.9. You can open more than one HiSAVE Fixed Rate Account but only with the same Account type (single or joint) as your existing HiSAVE Account with us.
- 2.10. If you do not hold a HiSAVE Savings Account, we will open one for you before we open the HiSAVE Fixed Rate Account. The funds in your HiSAVE Fixed Rate Account will be transferred to your HiSAVE Savings Account on maturity. Any monthly or yearly interest you receive on the Account will be transferred to your HiSAVE Savings Account. There will be a direct debit set up between your HiSAVE Savings Account and your nominated linked Account. Your HiSAVE Fixed Rate Account will be linked to your HiSAVE Savings Account.
- 2.11.1 Each of the Account holders will receive a separate user ID by email as soon as your Account is opened.
- 2.11.2 If you have applied for a single HiSAVE Fixed Rate Account you will be able to choose your password while completing the online application form. Selection of the password online is safe and secure. You will need this password along with the User ID (sent by email) in order to log on to your Account.
- 2.11.3 If you have applied for a joint HiSAVE Fixed Rate Account, the primary applicant will be able to choose their password while completing the online application form. The secondary applicant will not be able to choose his/her password online and it will be sent separately to his/her postal address within seven business days from the date of Account opening.
- 2.12. If you have not chosen a password while completing the application form, the password(s) for all applicants will be sent separately to their postal addresses within seven business days from the date of Account opening.
- 2.13. When you log on to your Account for the first time, you will be prompted to change your password. This is to maintain security of your own Account.
- 2.14. If you open an Account with us at a distance (over the phone or post or internet) you are protected by the Financial Services (Distance Marketing) Regulations 2004. The major types of protection are:
 - detailed information before you agree to open the Account;
 - a 14-days right of cancellation; and
 - restrictions on how a financial service is supplied if you have not asked for it.
- 2.15. For any queries on how to open a HiSAVE Fixed Rate Account, you can visit the FAQs section on our website www.icicibank.co.uk. Alternatively, you can email us at ukdirect@icicibank.com or **contact our Customer Service Centre at 08081 31 41 51(freephone from UK landlines)**.

3. Initial deposit to your Account

- 3.1. The initial deposit can be made by cheque or direct debit from your nominated linked Account.

3.2 By a **Cheque** and **Through Direct Debit**

- 3.2.1 Once we have carried out the identity checks, we will email you to send a cheque to us from your nominated linked Account, which is in your name. The cheque should be for the entire initial deposit amount (minimum amount of £1,000, no maximum limit). It must be in your name and drawn from the nominated linked Account mentioned in your HiSAVE Fixed Rate Account application form. The cheque should have your first name/initial and last name printed on it and should be signed by you. If you are opening a single HiSAVE Fixed Rate Account, your nominated linked Account can be either a single Account or a joint Account. If you are opening a joint Account, the cheque must be from a nominated linked joint current Account which is in the name of both the applicants. If the nominated linked Account is a joint current Account, the cheque should be signed by one or all of the current Account holders in accordance with the operational set up of the Account.
- 3.2.2 You must make sure that you include your eight digit tracking number, sent to you via email, immediately after your name on the cheque you send us. Without this number we will not be able to process your application further.
- 3.2.3 Upon successful receipt and verification of the cheque from your nominated linked Account in accordance with condition 3.2.1, we will first open your HiSAVE Savings Account, set up a direct debit between the two Accounts and send you the Account information and Internet Banking User ID by email within five business days from the date of receipt of the cheque. You must not cancel the direct debit instruction while you maintain the existing Current Account as your nominated linked Account.
- 3.2.4 Upon successful verification of the cheque, we will send it to the Bank issuing the cheque for clearing within two business days of receiving it. This time is required for us to authenticate the details on the cheque with the information on your application form. In exceptional circumstances this might take an additional business day.
- 3.2.5 We will open your HiSAVE Fixed Rate Account on the day we receive cleared funds (the sixth business day from the date of presenting the cheque) but you will start earning interest from the second business day after presenting the cheque. However, cheques received after 2:00 pm UK time or on a day that is not a business day, will be processed on the next business day. For more details on cheque clearing cycle, please refer condition 7.4.
- 3.2.6 If the initial deposit cheque is returned unpaid by your nominated linked Account Bank or building society for any reason, your application to open a HiSAVE Fixed Rate Account will be rejected. You may re-apply for a HiSAVE Fixed Rate Account.
- 3.2.7 If we are unable to set up a direct debit, but your cheque is cleared by your nominated linked Account Bank, we will reinitiate the direct debit. In such circumstances we will process your Account opening as normal. However, you will be unable to transfer any funds from your nominated linked Account to your HiSAVE Savings Account until such time as the direct debit is set up between your HiSAVE Savings and your nominated linked current Account.
- 3.2.8 If we have not received the Account opening cheque from your nominated linked Account within three months of receiving your application for a HiSAVE Fixed Rate Account, we will reject the application and you will have to re-apply online to open a new HiSAVE Fixed Rate Account.
- ### 3.3 **Through Direct Debit**
- 3.3.1 If you are applying for a single HiSAVE Fixed Rate Account, you can allow us to collect funds for your initial deposit from your nominated linked Account through the direct debit facility. If you are applying for a joint HiSAVE Fixed Rate Account, you will need to fund your Account by sending a cheque.
- 3.3.2 If you are applying for a single HiSAVE Fixed Rate Account, you can instruct us to collect funds from your nominated linked Account (minimum amount of £1,000, no maximum limit) at the time of completing the online application form. After carrying out identity checks, we will open a HiSAVE Savings Account and set up a direct debit between your HiSAVE Savings Account and your nominated linked Account. The direct debit is an electronic link between your HiSAVE Savings and your nominated linked Account to collect the funds from your Account.
- 3.3.3 Upon successful confirmation that the direct debit has been set up, we will collect the funds from your nominated linked Account and open your HiSAVE Fixed Rate Account. It takes up to three business days to receive the funds. You will start to earn the interest on your HiSAVE Fixed Rate Account from the day the funds are received by us.
- 3.3.4 If we are unable to set up a direct debit between the two Accounts, your application for opening a HiSAVE Fixed Rate Account will be rejected. You may however re-apply for a HiSAVE Fixed Rate Account.
- 3.3.5 If we are unable to collect funds from your nominated linked Account due to insufficient funds in that Account, we will inform you. After seven business days from the date of informing you, we will re-initiate the collection of funds. If the instruction fails for any reason, your application for a HiSAVE Fixed Rate Account will be rejected. You may however re-apply for a HiSAVE Fixed Rate Account.
- 3.4 You must not cancel the direct debit instruction we have set up between your HiSAVE Account and your nominated linked Account.
- 3.5 We will send a confirmation letter to your registered postal address informing you once the direct debit has been set up.
- 3.6 If we are unable to deliver the direct debit confirmation letter to you for any reason, we will temporarily block your HiSAVE Savings Account and HiSAVE Fixed Rate Account until you call our Customer Service Centre and ask us to unblock it. However, your HiSAVE Fixed Rate Account and

your HiSAVE Savings Account will continue to earn interest.

- 3.6.1 When you call our Customer Service Centre to unblock your Accounts, if you fail to prove your identity, we will require you to provide satisfactory documentary evidence of your identity and address.
- 3.6.2 If your HiSAVE Fixed Rate Account remains blocked at the time of maturity, the principal and interest will be paid into your HiSAVE Savings Account and continues to earn interest on the HiSAVE Savings Account at the prevailing HiSAVE Savings Account rate.
- 3.7 You must not cancel the direct debit instruction which we have set up between your HiSAVE Savings Account and your nominated linked Account.
- 3.8 If we cannot conduct an electronic check on you and under certain other circumstances, we will ask you to provide us with an independent documentary evidence of your identity and address to open your HiSAVE Fixed Rate Account. In this case, your initial deposit must be by a cheque (even though you may have selected the option of funding your Account through direct debit to open your Account). We will inform you of this by email.
- 3.9 Existing HiSAVE customers can apply to open another HiSAVE Fixed Rate Account by logging into their online Banking or calling our Customer Service Centre. You could fund the Account by either:
 - 3.9.1 Using the direct debit link between your HiSAVE Savings Account and nominated linked Account to transfer funds to your HiSAVE Savings Account. This will take approximately seven business days. We will open your HiSAVE Fixed Rate Account with effect from the date of receiving clear funds and you will start earning interest from that day; or
 - 3.9.2 Using the funds from your HiSAVE Savings Account. We will open your HiSAVE Fixed Rate Account in two business days and you will start earning interest from the day the request is made to open the HiSAVE Fixed Rate Account.
- 3.10 The direct debit set up between your nominated linked Account and your HiSAVE Fixed Rate Account is governed by the Direct Debit Guarantee and if money is wrongly taken by us from your nominated linked Account under the Direct Debit Authority given to us, we will refund the money to your nominated linked Account immediately. In order to do this we may seek additional information from you to establish whether money was wrongly taken by us from you.

4. Communication between you and us

- 4.1 We may contact you by email, text message or telephone. In certain circumstances, we can also communicate through our website. If at any point in the future you change your phone numbers, email address or postal address you should tell us promptly about those changes. We will contact you at the most recent address, telephone number or email address that you have given to us.
- 4.2 Your HiSAVE Fixed Rate Account may be accessed through the internet via www.icicibank.co.uk (the "website").
- 4.3 We may also occasionally contact you by post. If we communicate with you through post, we will use the postal address on our records.
- 4.4 As the HiSAVE Fixed Rate Account is an online Account, we will not be able to accept any requests that are sent to us by post, except for the circumstances mentioned in condition 24.
- 4.5 After your HiSAVE Fixed Rate Account has been opened, you can communicate with us by logging onto your HiSAVE Account Internet Banking and sending emails through the Internet Banking service. This is a secure and authorised method of communication between you and us.
- 4.6 If you have any queries or have problems logging into or if you cannot access your HiSAVE Account for any reason you can contact our Customer Service Centre for assistance or send us an email at ukdirect@icicibank.com from your email address registered with us.
- 4.7 When you call our Customer Service Centre or contact us through the Internet Banking service, to identify you we will use your Account details and the security details provided by you when the HiSAVE Fixed Account was opened. You must use a touch tone phone when calling our Customer Service Centre. You will otherwise have to give instructions or get information about your Account using our Internet Banking service. If you forget your User ID or your password, you will not be able to operate your Account online.
- 4.8 If you have forgotten your password, you can call the Customer Service Centre. You can also visit our website to make a password request. Go to the login page, click on the 'Forgot password' link, complete the form and submit it. If you have requested a new password and are waiting for it to arrive, please do not use your old password as this will block the new password as well. We will send you the new password through post at your registered postal address with us. You must inform us of any changes to your address before you request a new password. You can update your address through the 'Service Request' option on Internet Banking of your HiSAVE Account via the website or by calling our Customer Service Center.
- 4.9 We may conduct periodic electronic checks or seek electronic/written confirmation from you about the details we hold for you on your Account. If you do not pass these checks/confirmations, we may ask you to provide us with documentary proof of your identity and address.
- 4.10 For a joint Account, unless you advise us otherwise, we will contact only the primary Account holder subject to any legal requirements. The primary Account holder is responsible for passing information we send to the other joint Account holder.

5. Withdrawals from your HiSAVE Fixed Rate Account

- 5.1 Withdrawals are not permitted from your HiSAVE Fixed Rate Account.
- 5.2 Funds will be transferred from your HiSAVE Fixed Rate Account only to your HiSAVE Savings Account on maturity. Please refer to condition 16 for more details.

6. Confirmation of Instructions and Transactions:

- 6.1 If you give us an instruction by calling our Customer Service Centre, we will confirm it on the phone to you by giving you a reference number.
- 6.2 We will not give you written confirmation when we receive funds into your Fixed Rate Account or we transfer funds into your HiSAVE Savings Account on maturity. These transactions will appear on your Account statements.

7. Operation of the Account

- 7.1 You can give us instructions either:

- a) Verbally, by calling our Customer Service Centre on 08081 31 41 51 (free phone from UK landlines); or
- b) Using our Internet Banking service and sending an email through the 'Account Manager' option.

Generally we cannot change or stop an instruction given by you over the telephone or through the Internet Banking service (unless we inform you otherwise) because we start processing instructions when we receive them. If we are able to cancel your instructions there may be a charge for this. We will confirm any charges to you before we process your request for cancellation.

- 7.2 Before we act on instructions given by telephone or through the internet Banking service you will have to complete a security procedure. After satisfactory completion of this security procedure, we will act on instructions given by you including payments of money in or out of your Account. Please also see condition 9.
- 7.3 Sometimes, the transferring Bank may reclaim the payment and we will need to take the amount of this payment out of your HiSAVE Fixed Rate Account along with any interest which may have been paid.
- 7.4 The cheque clearing cycle is the time taken for initial deposit money to be paid to your Account. All cheques deposited into ICICI Bank UK PLC Accounts by 2:00 pm UK time will go into processing the same day. All cheques deposited after 2:00 pm UK time will get into processing on the next business day.
- 7.4.1 When you pay a GBP cheque from another Bank in the UK, for initial deposit into your Account.
- a) we will deposit the cheque in your Account on the same day that we receive it if this is before the cut off time. If we receive it after the cut off time we will treat it as being received on the next business day;
 - b) we will start paying interest (if any) on the money from the second business day after we receive it
 - c) the funds will be available for you to use from the fourth business day after we receive the cheque, but the cheque may still be returned unpaid up until the sixth business day after we receive it; and
 - d) from the end of the sixth business day after we receive it, if the cheque is returned unpaid by the paying Bank, we cannot take money from your Account without your consent unless you have acted fraudulently.
- 7.4.2 So, for example, if you pay in a non ICICI Bank UK PLC cheque on a Monday before the cut off time of 2:00 pm UK time, you will see it deposited on your Account the same day, it will start earning interest on Wednesday, you can use the money on Friday and we cannot take the payment out of your Account after the following Tuesday (unless you have acted fraudulently).
- 7.4.3 If the Bank, building society or other organisation that the cheque was drawn on decides not to honour it, they will normally explain the reason for non-payment. We will deduct the amount of the cheque from your balance no later than the end of the sixth business day after it was added to your balance. In all circumstances, you will be the owner of funds on the sixth business day after the deposit of your cheque and the amount of the cheque cannot then be debited from your balance without your consent unless you were knowingly involved in a fraud concerning the cheque.
- 7.4.4 If cheques are deposited with Giro Slips at any non ICICI Bank UK PLC Branch, you will earn interest from the second business day, but you will only be able to withdraw funds from the sixth business day.
- 7.4.5 If an amount is credited to your Account in error, we will earmark the relevant funds and notify you. The amount will be debited from your Account after that notification.

- 7.4.6 If a cheque is returned unpaid by the paying Bank before the end of the sixth business day from the day it is paid in, we can take the money back out of your Account.
- 7.5 Your direct debit instruction will expire if you do not use the direct debit facility for 60 months. If your direct debit instruction expires you will need to set up a new direct debit.
- 7.6 If you do not have a HiSAVE Savings Account, then to set up a new direct debit or to change your nominated linked Account you must make an online request through the Internet Banking service or call the Customer Service Centre. By doing so, you will be given a reference number. Please make a note of this reference number.
- 7.6.1 You must also send us a direct debit mandate form and an original Bank statement for your new linked Account. You can download the direct debit mandate form from www.icicibank.co.uk. You should print the form, complete the details of the new nominated linked Bank Account and send it back to us along with an original Bank statement, no more than three months old of your new nominated linked Account.
- 7.6.2 We need to view the original Bank statement for verification purposes and it will be returned to you after verification. Please mention the reference number on the statement in order for us to process your request quickly. Once we have received and verified these documents, your request will be processed within seven business days.
- 7.6.3 If the direct debit instruction is rejected by the other Bank, your request will be cancelled and you will have to make a new request.
- 7.6.4 If your new nominated linked Account is an ICICI Bank UK PLC current Account, then the documents mentioned above are not required. In this case your request will be processed in two business days.
- 7.7 If your HiSAVE Fixed Rate Account is linked to your HiSAVE Savings Account, you can transfer funds only from your nominated linked Account to your HiSAVE Savings Account. While opening your HiSAVE Savings and your Fixed Rate Account, we will set up a direct debit between the Accounts. In this case, you will only be able to change the nominated linked Account which is linked to your HiSAVE Savings Account. For more details on how to change a 'nominated linked account' linked to your 'HiSAVE Savings Account', please refer to the HiSAVE Savings Account Terms and Conditions.
- 7.8 You cannot change your nominated linked Account:
- a) within 45 days of opening your HiSAVE Savings Account; or
 - b) more than once within a period of 45 consecutive days.
- 7.8.1 If you change your nominated linked Account immediately after the 45 day period mentioned above, we may seek further information from you.
- 7.9 You must notify us promptly if you experience any failure, delay or error in the website, Internet Banking or in the operation of your HiSAVE Savings Account or you suspect any breach of security or fraud.
- 7.10 We may suspend or stop access to the Internet Banking or Telephone Banking services immediately if we consider there is a security or fraud risk. In such circumstances, we may not give advance notice to you.
- 7.11 We can refuse to act on any instruction or delay acting on a request from you or ask for more details (for instance proof of identity), if:
- 7.11.1 We have a reason for believing that you did not give us the instruction (unauthorised instructions);
 - 7.11.2 The instruction is not clear;
 - 7.11.3 To carry out the instruction would be unlawful;
 - 7.11.4 It is to be performed at a future date;
 - 7.11.5 It is conditional on happening of a certain event;
- 7.12 If we don't act on your instructions, we will notify you accordingly.
- 7.13 If we consider that there is security or fraud risk, we may apply financial and other limits to telephone instructions and instructions through Internet Banking from time to time. Wherever possible we will give you notice, but we may vary these limits to protect the security of your Account at any time with immediate effect and inform you of the changes immediately. We will tell you if your transaction exceeds any of the limits.
- 7.14 We will try to ensure uninterrupted access to the website or Internet Banking. However, access to the website or Internet Banking may be temporarily suspended, or certain services may be slow or temporarily unavailable, when we carry out routine maintenance checks.
- 7.15 For security reasons your HiSAVE Account Internet Banking user ID will get locked if unused for a period of six successive months. If your user ID gets locked, you will not be able to use the Internet Banking facility. Please call our Customer Service Centre for unlocking your user ID. Once your User ID has been unlocked, you can log in using the existing password.
- 7.16 If you make three consecutive attempts to log on to your Internet Banking with an incorrect password/user ID, your user ID will be locked for security reasons and you will not be able to use the Internet Banking facility. Please call our Customer Service Centre to unlock your user ID.

Once your ID is unlocked, you can login using the existing password.

- 7.17 If you have forgotten your password, you will need to go to the login page of your Internet Banking facility and make an online request for a password re-issue using the 'Forgot Password' option or contact our Customer Service Centre. The new password will be sent to your registered address by post within seven business days.

8. Joint HiSAVE Fixed Rate Accounts

- 8.1 A HiSAVE Fixed Rate Account can be opened as a joint Account for a maximum of two people.
- 8.2 Each one of you is responsible individually and jointly for following the Terms of this agreement. If one of you breaks the Terms, we can take action against either or both of you.
- 8.3 If any disputes arise between you, one or both of you should contact us in writing. On receipt of such notice, or if we otherwise become aware of such a dispute, and once we have satisfied ourselves that there is a dispute, we will block the Account and all transactions, including payments by direct debit and the use of additional services such as Internet Banking. You will have to provide us with a letter signed by both the Account holders with written instructions regarding funds in your Account. Funds cannot be transferred to a third party Account. The letter should be accompanied by proof of identity and current address of both the Account holders.
- 8.4 We may give any information about your joint Account to either of you. You each agree that we can act on payment instructions, notices or information given by either of you.
- 8.5 For a joint Account, unless you advise us otherwise, we will contact only the primary Account holder subject to any legal requirements. The primary Account holder is responsible for passing information we send to the other joint Account holder.
- 8.6 If either of you dies, the joint HiSAVE Fixed Rate Account can be operated by the survivor.
- 8.7 A notice we send to one of you will count as a notice to both of you.
- 8.8 Once your passwords are active, either of you can give us instructions, which means that either of you will be able to manage your joint HiSAVE Fixed Rate Account without the other being involved. We do not have to confirm the instructions with the other Account holder.
- 8.9 If we find that either of you is, or may be, declared Bankrupt, we will block your joint HiSAVE Fixed Rate Account and HiSAVE Savings Account. You will not be able to pay out any amount from it until we receive joint written instructions from the Account holder (who is not bankrupt) and the trustee in bankruptcy of the other Account holder.
- 8.10 Either of you may instruct us to make payments to open a new HiSAVE Fixed Rate Account. In the event of conflicting instructions from joint Account holders we reserve the right to refuse to carry out any transactions or further instructions until the instructions are clarified and confirmed by both of you in writing through the secured channel.

9. Security and access

- 9.1 Whenever you log in to the Internet Banking service, you will need to use your User ID and password and provide such other security details as we may request.
- 9.2 You must take all reasonable precautions to keep safe and prevent fraudulent use of your security details (User ID, passwords or other details including those which allow you to use Internet Banking and Telephone Banking). These precautions include the following:
- Always learn the password or other security details we may send you and immediately destroy the slip giving you the information;
 - Never allow anyone else to use your security details. If you do, you will be responsible for the money taken from your Account;
 - Do not keep a note of your password or security details where anyone else might recognise it, for example by writing your password and/or security details on, or keeping them with your Bank documents. If you think someone else knows your password or other security details please contact us immediately;
 - Do not choose a password which is easy to memorise such as sequences of letters, or numbers which may be easy to guess, for example your date of birth;

10. Interest and Tax

- 10.1 The interest on your HiSAVE Fixed Rate Account is fixed for a term. You may contact us at any time to know the interest rates as applicable to your HiSAVE Fixed Rate Account.
- 10.2 The interest rate applicable to your HiSAVE Fixed Rate Account will be the interest rate available on the date of receipt of clear funds and opening of your HiSAVE Fixed Rate Account.
- 10.3 We will only calculate and you will only earn interest each day on balances of £1,000 or more and we will pay this according to the interest payment option chosen by you at the time of application.
- 10.4 Interest on HiSAVE Fixed Rate Accounts is non cumulative (we pay simple interest only for the initial amount invested).
- 10.5 If you have chosen the HiSAVE Fixed Rate Account - monthly interest option, interest will be paid on the last day of every month and will be sent to your HiSAVE Savings Account. If the last day is not a business day, interest will be paid on the next business day. The last interest payout will be made on the date of maturity of the monthly HiSAVE Fixed Rate Account.
- 10.6 For HiSAVE Fixed Rate Accounts with the annual interest option, if the term of the deposit is less than one year, interest will be paid on maturity of the deposit. If the term of the deposit is greater than one year, interest will be paid on an annual basis.
- 10.7 If you do not have a linked HiSAVE Savings Account with us, all interest amounts (monthly or annual) and principal amount on maturity will be paid into your nominated linked Account. If you have a linked HiSAVE Savings Account, all interest amounts (monthly or annual) and principal amount on maturity will be paid into this Account.
- 10.8 Interest is calculated and rounded down to the second decimal place.
- 10.9 We will pay net interest (interest after the deduction of basic rate income tax) on any Account, unless you are entitled to receive gross interest and you have sent us a completed HM Revenue and Customs form R85 (available on the HM Revenue and Customs website at www.hmrc.gov.uk) for your Account.

- 10.10 For a joint Account, both Account holders must submit a separate form R85 before we pay gross interest (interest without tax being deducted) on the Account.
- 10.11 If you hold multiple Accounts with us, you must send us separate forms R85 for each Account on which you do not want tax to be deducted.
- 10.12 Once we receive your completed R85 form, any interest due to you will be paid as gross interest (interest without tax being deducted) for the period from the first day of the month in which we receive your R85 form. We will not add the difference between gross interest and net interest paid in previous months to your Account.
- 10.13 If you receive gross interest (interest without tax being deducted) on any Account and your circumstances change then you must inform us immediately by logging on to your Internet Banking and making the request 'Change of tax status from Gross to Net' through the service request section, or by contacting our Customer Service Centre.

- 11.3 You need to inform us as soon as possible if you change any information relevant to your Account. If your details, for example your address is not updated, we may block your Account to protect us both. You understand that incorrect information about you in our records may result in loss or damage to you. We may require documentary evidence to be provided for some types of changes. When you notify us of the change, we will let you have a list of documents which are acceptable to us as evidence of change in your details.
- 11.4 If you move to an address outside the UK you must inform us as soon as possible and you will need to close your HiSAVE Fixed Rate Account. We do not charge for operating the HiSAVE Fixed Rate Account except for the charge in respect of ordering physical tax certificates. However, we may wish to introduce new charges in the future for valid reasons as mentioned in condition 12.1 above. We will inform you at least two months in advance about these charges and if you are dissatisfied with the new charges you will have the right to switch or close your Account without loss of interest or any additional charges.

14. Set-Off

- 14.1 We may use any credit balance (in any currency) on any Account you hold with us to repay any amounts that you owe us, including amounts you owe us for unauthorised overdrafts on your Accounts, together with any related charges. This applies to Accounts held in your own name or jointly. We will inform you before doing this unless we reasonably think that you will move your funds in order to prevent us from applying set-off.
- 14.2 We can exercise our right of set-off as described above even if there is a court decision against you or you are fined unless the court instructs us otherwise, or we are otherwise prevented by law.

15. Liability

- 15.1 If we do not carry out your requests, delay doing so or do not do so correctly, we will be liable for any loss as a result and the amount of interest you did not receive from us as a result of our failure or late action or mistake. We will not be liable for any losses we could not have reasonably been expected to foresee.
- 15.2 Neither we nor you will be liable to the other for breach of any of these Terms and Conditions if such breach is because of circumstances beyond our control, such as war, riots, or governmental or court orders.

- You will not be liable for any losses occurring after you have informed us that your security or personalised details are no longer safe.
- 15.5 You will not be responsible for any unauthorised payments where:
- (a) you have not yet received your security details; or
 - (b) these have been made by someone who has your security details and has used them without your authority to make a payment where the Account holder does not need to be present, such as transferring funds from your HiSAVE Savings Account to your nominated linked Account, opening a HiSAVE Fixed Rate Account, change of address etc over the internet or phone.
- 15.6 Compensating us for loss
- You must compensate us for loss or damage which is caused to us as a result of either of the following:
- (a) if you have acted fraudulently; or
 - (b) if you have not observed these Terms and Conditions and this was done intentionally or with gross negligence.
- The amount paid by you under this condition will represent a reasonable assessment of our losses. This includes the reasonable costs incurred by us in investigating and managing the matter as well as our reasonable legal costs.
- The protection provided by you under this condition will not apply if we deliberately or negligently caused the loss or if it is not consistent with the relevant laws or regulations.

 - 16.2.2 Any court of competent jurisdiction has declared you bankrupt and has given instructions to close the Account.

- 16.3. We may close your HiSAVE Fixed Rate Account immediately in exceptional circumstances. Examples of these circumstances are, if we reasonably believe that:

 - 16.3.5 You have behaved improperly (for example, in a threatening or abusive manner).
- If we close your Account for any other reason, we will give you two months advance notice.
- 16.4 If we do close your HiSAVE Fixed Rate Account early for any of the reasons mentioned in condition 16.3, we will apply a premature closure penal interest rate to the Account when calculating interest, instead of the rate you would otherwise have received. The penal interest rate will be the Bank of England Base Rate as applicable while your HiSAVE Fixed Rate Account was open. For details of the Base Rate, you can visit the Bank of England website (<http://www.bankofengland.co.uk/mfsd/iadb/Repo.asp?Travel=NlXRx>). - 16.7.1 If you are not happy about your choice of Account within 14 days of opening it, we will help you switch to a different ICICI Bank UK PLC Account or give you your money back. For cheque investments, funds cannot be withdrawn until the cheque has cleared. Please note that your deposit will not earn any interest if you choose to withdraw funds during this period. If you hold a monthly interest paying HiSAVE Fixed Rate Account, any interest paid will be deducted from the principal amount of your Fixed Rate Account. This 14 days cancellation period does not apply to Accounts which have been renewed after maturity either through renewal (condition 17) or auto renewal (condition 18). The cancellation period is 14 days beginning on the day we open your Account. If you decide not to exercise your right to cancel, your HiSave Fixed Rate Account will be subject to the Terms and Conditions from the date of Account opening.
- 16.7.2 If you wish to close your Account within this period, we will need to have received confirmation of your instructions to close by the 14th day following Account opening. - 24.5 Authorising others to operate your Account.
- 24.5.1 You may authorise an individual to operate your Account on your behalf by signing a power of attorney. We will accept only one power of attorney. We do not accept joint powers of attorney, except when the rights are given to the attorneys jointly or severally. If there is more than one attorney appointed, then one of them must be nominated and all transactions must be authorised by that individual only. We will need to see the original signed power of attorney although for some powers of attorney we may be able to accept a copy certified by those listed in our requirements, such as a solicitor. If you want any further information on powers of attorney, or if you have any queries, you may contact our Customer Service Centre. We will be glad to assist you.
- 24.5.2 For security reasons, we may not allow a person who is operating your Account on your behalf to access some services. Where we do make these services available, that person may use your security details and we will not treat it as a breach of your security obligations.

25. Financial difficulties

If you find yourself in financial difficulties, you should let us know as soon as possible. We will consider cases of financial difficulty sympathetically and positively. Our first step will be to contact you to discuss the matter. We will do all we can to help you overcome your difficulties. The sooner we discuss your problems, the easier it will be for both of us to find a solution. The more you tell us about your full financial circumstances, the more we will be able to help.

26. Credit Reference and fraud prevention

26.1 Data sharing

We may record, exchange, analyse and use relevant information about you and your relationships with the companies in our Group (including the nature of your transactions) for credit assessment, market research and administrative purposes. Relevant information may also be exchanged with companies in our Group and others, for audit purposes.

26.2 Crime prevention and debt recovery

To prevent crime, to verify your identity and to recover debt, we may exchange information (both within the UK and, where appropriate, overseas) with other companies in our Group and, where appropriate, with fraud prevention and debt recovery agencies and other organisations including other lenders.

26.3 Where you borrow or may borrow from us, we may give details of your Account and how you manage it to credit reference agencies. If you borrow and do not repay in full and on time, we may tell credit reference agencies who will record the outstanding debt.

28 Financial Service Compensation Scheme

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a Bank is unable to meet its financial obligations. Most depositors – including most individuals and some small businesses – are covered by the scheme.

In respect of deposits, an eligible depositor is entitled to claim up to £85,000. For joint Accounts each Account holder is treated as having a claim in respect of their share so, for a joint Account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the combined amount in all the eligible depositor's Accounts with us including their share of any joint Account, and not to each separate Account.

For further information about the scheme (Including the amounts covered and eligibility to claim) please refer to the FSCS website www.FSCS.org.uk or call 020 7892 7300 or 0800 678 1100.
