 - 3.2.5 If the cheque is returned unpaid, your application to open an Account will be rejected. You may re-apply.
 - 3.2.6 We will transfer funds to your Account on the day we receive cleared funds (the sixth Business Day), but you will start earning interest from the second Business Day of us sending the cheque to the Bank holding your Nominated Linked Account. However, cheques received after 2:00 pm UK local time or on a day that is not a Business Day, will be treated as though we have received it on the next Business Day. For more details on cheque clearing cycle, please refer to clause 9.4.1.

For instructions in INR, the amount debited from your Account will be determined by the INR-GBP exchange rate up to five decimal places.
- 8.4.4 For requests set in INR, the equivalent GBP amount will be calculated at the applicable exchange rate and debited from your Account, subject to the daily online transaction limit.
- 8.4.5 Standing Instructions will not be processed if your Account does not have a sufficient cleared balance or you have used all the daily online transaction limits (cumulative of all transfers processed on the day). - 8.4.7 If a standing instruction transaction has failed, the next due transaction will be processed on the scheduled date. The failed transaction will also be counted in the total number of payments set for the standing instruction.
- 8.4.8 The status of various standing instructions set by you may be viewed on the "Manage Standing Instructions" page of your Internet Banking.
- 8.4.9 A Standing instruction (which is in "Active" status) may be deleted before 00:00 UK time on the date for which it has been scheduled. A standing instruction will be automatically deleted if the Beneficiary to whom it has been set is deleted.
- 8.4.10 Service Assurance is applicable to all requests from the time they are accepted for processing.

8.5. Rate Block:

- 8.5.1 A Rate Block request is valid for a period not exceeding 15 days from the date of your request.
- 8.5.2 A Rate Block request will be processed on a date when the actual exchange rate meets or exceeds the desired exchange rate set by you. If the desired exchange rate is not met during this period, the Rate Block request will be cancelled. All updates in the actual exchange rate during a day will be validated against the desired exchange rate. For example, if the rate desired by you is 72.00, and:
- The actual exchange rate is 72.00, your transaction will be processed at 72.00;
 - The actual exchange rate is 72.20, your transaction will be processed at 72.20.
- 8.5.3 The Rate Block request will be executed at the actual exchange rate applicable at the time the transaction is processed, which may be equal to or greater than the desired exchange rate set by you. The applicable exchange rate will be inclusive of all promotional offers (if any) valid at the time of processing.
- 8.5.4 A Rate Block request may be set only in GBP, defining the exact amount to be debited from your Account.
- 8.5.5 Rate Block requests will not be processed if your Account does not have a sufficient cleared balance or you have used all the daily online transaction limits (cumulative of all transfers processed on the day). The status and details of your request may be viewed on the transfer history page of your Internet Banking (link available on your Internet Banking, which displays history of your transfers to India).
- 8.5.6 Where you have multiple and varying transactions scheduled on a given day, any one or more may get rejected. The cumulative sum of the transactions scheduled on a given day will be matched against the daily online limit and the funds available in your Account.
- 8.5.7 The status of various Rate Block requests set by you may be viewed on the "Rate Block" page of your Internet Banking.
- 8.5.9 You may delete a Rate Block request which is in "Pending" status. If you have deleted the Beneficiary to whom the Rate Block has been set, your request will be automatically deleted.
- 8.5.10 Service Assurance is applicable to all requests from the time they are accepted for processing.

- d. You should review Account statements and other advices that we provide to you. If you notice any discrepancies, please notify us immediately.

- b. We will be liable for losses arising as a result of not carrying out your instructions correctly or unreasonable delay in doing so. Our liability may be limited to the original amount of the Money Transfer.

9. Operation of the Account

- 9.1 You can give us instructions either:
- verbally by calling our Customer Service Centre; or
 - using Internet Banking Service and sending an email through the "Accounts Manager" option. Generally we cannot change or stop an instruction given by you over the telephone or through the Internet Banking Service (unless we inform you otherwise) because we start processing instructions when we receive them. If we are able to cancel your instructions, there may be a charge for this. We will confirm any charges to you before we process your request for cancellation.
- 9.2 Before we act on instructions given by telephone or through the Internet Banking Service you will have to complete a security procedure. After satisfactory completion of this security procedure, we will act on instructions given by you including payments of money in or out of your Account.
- 9.3 When you call us, we will confirm your identity using our security procedures (such as answers to questions) about you known to you and us or requesting to input telephone banking passcode for automated verification on the IVR (Interactive Voice Response). We may not be able to assist you if we are unable to identify you as our customer since this is to protect the security of your Account.
- 9.4 When we call you, we will never ask for details of your password, passcodes or PIN to identify you as our customer. We will ask you questions based on information known to us about you and the transactions on your Account.
- 9.5 Sometimes, the transferring Bank may reclaim the payment and we will need to take the amount of this payment out of your HiSAVE Remittance Account along with any interest which may have been paid.
- 9.6 The cheque clearing cycle is the time taken for initial deposit money to be paid to your Account. All cheques deposited into ICICI Bank UK PLC Accounts by 2:00 pm UK time will be processed on the same day. All cheques deposited after 2:00 pm UK time will be processed on the next Business Day.
- 9.6.1 When you pay a GBP cheque, for the initial deposit, from another Bank in the UK into your Account with us:
- We will deposit the cheque in your Account on the same day that we receive it if this is before the cut-off time. If we receive it after the cut-off time we will treat it as being received on the next Business Day;
 - We will start paying interest (if any) on the money from the second Business Day after we receive it;
 - The funds will be available for you to use from the fourth Business Day after we receive the cheque, but the cheque may still be returned unpaid up until the sixth Business Day after we receive it; and
 - From the end of the sixth Business Day after we receive it, if the cheque is returned unpaid by the paying Bank, we cannot take money from your Account without your consent unless you have acted fraudulently.
- 9.6.2 So, for example, if you pay in a non ICICI Bank UK PLC cheque on a Monday before the cut-off time of 2:00 pm UK time, you will see it deposited in your Account the same day, it will start earning interest on Wednesday, you can use the money on Friday and we cannot take the payment out of your Account after the following Tuesday (unless you have acted fraudulently).
- 9.6.3 If the Bank, Building Society or other organisation that the cheque was drawn on decides not to honour it, they will normally explain the reason for non-payment. We will deduct the amount of the cheque from your balance no later than the end of the sixth Business Day after it was added to your

balance. In all circumstances, you will be the owner of funds on the sixth Business Day after the deposit of your cheque and the amount of the cheque cannot then be debited from your balance without your consent unless you were knowingly involved in a fraud concerning the cheque.

- 9.6.4 If cheques are deposited with Giro Slips at any non ICICI Bank UK PLC branch, you will earn interest from the second Business Day, but you will only be able to withdraw funds from the sixth Business Day.
- 9.6.5 If an amount is credited to your Account in error, we will earmark the relevant funds and notify you. The amount will be debited from your Account after that notification.
- 9.6.6 If a cheque is returned unpaid by the paying bank before the end of the sixth Business Day from the day it is paid in, we can take the money back out of your Account, even if you have already spent it or it puts you into an unauthorised overdraft. If this happens, we will let you know.
- 9.7 To change your Nominated Linked Account, you must make an online request through Internet Banking Service or call the Customer Service Centre. You will be given a reference number which you should make a note of.
- 9.7.1 For a single HiSAVE Remittance Account, you must send us a direct debit mandate form. To verify your new account, we will set a direct debit on your new Nominated Linked Account and pull £1.

For a joint HiSAVE Remittance Account also, you must send us a cheque of a minimum of GBP 1 from your new Nominated Linked Account. Your new Nominated Linked Account must be in the same joint names as the HiSAVE Remittance Account.

- 9.7.2 For a single HiSAVE Remittance Account, once we have successfully set up direct debit on your new linked account and debited your account by £1, your request will be processed within one Business Day.

For a joint HiSAVE Remittance Account, once we have received and verified these documents, your request will be processed within six Business Days.

- 9.7.3 If your cheque is not cleared for any reason or the direct debit instruction is rejected by the other bank, your request will be cancelled and you will have to make a new request.
- 9.8 You cannot change your Nominated Linked Account:
- Within 45 days of opening your Account; or
 - More than once within a period of 45 consecutive days.
- 9.8.1 If you change your Nominated Linked Account immediately after the 45-day period mentioned above, we may seek further information from you.
- 9.9 You must notify us promptly if you experience any failure, delay or error in the website, Internet Banking or in the operation of your Account or you suspect any breach of security or fraud.
- 9.10 We may suspend or stop access to the Internet Banking or Telephone Banking Services immediately if we consider that there is a security or fraud risk. In such circumstances, we may not give advance notice to you.
- 9.11 We can refuse to act on any instruction or delay acting on a request from you or ask for more details (for instance proof of identity), if:
- 9.11.1 We have a reason for believing that you did not give us the instruction (unauthorised instructions);
 - 9.11.2 The instruction is not clear;
 - 9.11.3 To carry out the instruction would be unlawful;
 - 9.11.4 It is to be performed at a future date;
 - 9.11.5 It is conditional on the happening of a certain event;
- 9.12 If we don't act on your instructions, we will notify you accordingly.
- 9.13 If we consider that there is security or fraud risk, we may apply financial and other limits to telephone instructions and instructions through Internet Banking from time to time. Wherever possible we will give you notice, but we may vary these limits to protect the security of your Account at any time with immediate effect and inform you of the changes immediately. We will tell you if your transaction exceeds any of the limits.
- 9.14 We will try to ensure uninterrupted access to the website or Internet Banking. However, access to the website or Internet Banking may be temporarily suspended or certain services may be slow or temporarily unavailable, when we carry out routine maintenance checks.
- 9.15 For security reasons, your Account's Internet Banking User ID will get locked if unused for a period of six successive months. If your User ID gets locked, you will not be able to use the Internet Banking facility. Please call our Customer Service Centre to unlock your User ID. Once your

User ID has been unlocked, you can log in using the existing password.

- 9.16 If you make three consecutive attempts to log on to your Internet Banking with an incorrect Password/User ID, your User ID will be locked for security reasons and you will not be able to use the Internet Banking facility. Please call our Customer Service Centre to unlock your User ID. Once your ID is unlocked, you can log in using the existing password.
- 9.17 If you have forgotten your password, please refer clauses 4.8 and 4.9 for getting your password re-issued.
- 9.18 If there is no transaction done by you in your Account for 24 months, we will treat it as an Inactive Account and restrict access to it. You will be able to view your Account online, but you will not be able to carry out any transactions. You can activate your Account by calling the Customer Service Centre. In any event, the money in the Inactive Account will always remain your property, no matter how much time has passed. Should you need further information on Inactive Accounts, please call our Customer Service Centre.
- 9.19 Your Account will become dormant if no activity is initiated by you for a period of 15 years. It will then be governed by the provisions of Dormant Bank and Building Society Accounts Act 2008. If you ask us, we will tell you how to access your dormant account.

Cut-off times vary for different types of payment and for different ways in which the payment is requested.

10. Joint HiSAVE Remittance Accounts

- 10.1 A HiSAVE Remittance Account can be opened as a joint Account for a maximum of two people.
- 10.2 Each one of you is responsible individually and jointly for following the terms of this agreement. If one of you breaks the terms, action can be taken against either or both of you.
- 10.3 If any disputes arise between you, one or both of you should contact us in writing. On receipt of such notice, or if we otherwise become aware of such a dispute, and once we have satisfied ourselves that there is a dispute, we will freeze the Account and all transactions, including payments by direct debit and the use of additional services such as Internet Banking. You will have to provide us with a letter signed by both the Account holders with written instructions regarding funds in your Account. Funds cannot be transferred to a third party account. The letter should be accompanied by proof of identity and current address of both the Account holders.
- 10.4 We may give any information/notice about your joint Account to either of you. We will act on payment instructions, notices or information given by either of you without taking any confirmation from the other Account holder.
- 10.5 For a joint Account, unless you advise us otherwise, we will contact only the primary Account holder subject to any legal requirements. The primary Account holder is responsible for passing information we send to the other joint Account holder.
- 10.6 If either of you dies, the joint HiSAVE Remittance Account can be operated by the survivor.

10.8 In the event of conflicting instructions from joint Account holders, we may refuse to carry out any transactions or further instructions until the instructions are clarified and confirmed by both of you in writing through the secure channel.

- 15.1 We may change these Terms and Conditions, including our Charges, for valid reasons such as changes in market conditions, the cost of providing service to you, legal or regulatory requirements affecting us or any development of our systems or processes. If we believe any term is not clear, we will modify it to make it simple and clear without altering the meaning.
- 15.2 We will advise you of any such changes covered under condition 15.1, including changes to Charges, which are to your disadvantage, by sending you personal notice (sent electronically) at least two months in advance of the change. If you are dissatisfied with the changes, you will have a right to switch or close your Account without loss of interest or any additional charges.
- 15.3 We will advise you of any changes covered under condition 15.1, including changes to Charges, which are not to your disadvantage, by sending a personal notice (sent electronically) within 30 days of making such change.
- 15.4 If any major change is made, or many minor changes are made in one year, we will provide a copy of the new Terms and Conditions or a summary of the changes. You can also view the Terms and Conditions from our website www.icicibank.co.uk.

16. Charges

We do not charge for operating the Account except for those charges in respect of CHAPS transfers, Money Transfers and ordering physical statements. However, we may wish to introduce new charges in the future for valid reasons as mentioned in condition 15.1 above. We will inform you at least two months in advance about these charges and if you are dissatisfied with the new charges, you will have the right to close your Account without loss of interest or any additional charges.

17. Set-Off

- 17.1 We may use any credit balance (in any currency) on any account you hold with us to repay any amounts that you owe us, including amounts you owe us for unauthorised overdrafts on your Accounts, together with any related charges. This applies to accounts held in your own name or jointly. We will inform you before doing this unless we reasonably think that you will move your funds in order to prevent us from applying set-off.
- 17.2 We can exercise our right of set-off as described above even if there is a court decision against you or you are fined unless the court instructs us otherwise, or we are otherwise prevented by law.

18. Liability

- 18.1 We will make payments based on the specific information we have requested.
- 18.2 Payments to your Nominated Linked Account will be sent to the bank where you hold your Nominated Linked Account. Upon request, we can

provide documents to you, or to the bank where you hold your Nominated Linked Account (as appropriate), with the information that the payment was received by your Nominated Linked Account bank within the time set out for executing payments in condition 6.2.1. Where we can prove this, the bank where you hold your Nominated Linked Account will be responsible for making the payment available to you and crediting your Nominated Linked Account as appropriate.

- 18.3 If you suspect that an unauthorised or incorrect payment has been made from your Account, please contact us immediately by visiting one of our branches or by using the Telephone Banking Service. If you do not tell us promptly and in any event within 13 months after the date the payment was debited, you may not be entitled to have any errors corrected or amount refunded. Otherwise, and subject to condition 18.7, an unauthorised or incorrect payment of which you have given notice will be refunded and, where applicable, your Account will be restored to its position had the unauthorised or incorrect payment not taken place. We will have no further liability to you in relation to any unauthorised payment.
- 18.4 If we do not carry out your requests, delay doing so or do not do so correctly, we will be liable for any loss as a result and for the amount of interest you did not receive from us as a result of our failure or late action or mistake. We will not be liable for any losses we could not have reasonably been expected to have foreseen.
- 18.5 Neither we nor you will be liable to the other for breach of any of these Terms and Conditions if such breach is because of circumstances beyond our control, such as war, riots, or governmental or court orders.
- 18.6 You will be liable up to a maximum of £50 for any losses incurred in respect of unauthorised payments from your Account arising where you have failed to keep your security details safe.
- 18.7 You will be liable for all losses if:
- you have acted fraudulently, which includes allowing another person to make payments; or
 - you have intentionally or with gross negligence failed to keep your security details secret and safe.

You will not be liable for any losses occurring after you have informed us that your security or personalised details are no longer safe.

- 18.8 You will not be responsible for any unauthorised payments where:
- you have not yet received your security details; or
 - these have been made by someone who has your security details and has used them without your authority to make a payment where the Account holder does not need to be present, such as transferring funds from your Account to your Nominated Linked Account, opening a HiSAVE Fixed Rate Account, change of address, etc. over the Internet or phone.
- 18.9 Compensating us for loss
- You must compensate us for loss or damage which is caused to us as a result of either of the following:
- you have acted fraudulently; or
 - you have not observed these Terms and Conditions and this was done intentionally or with gross negligence.

The amount paid by you under this condition will represent a reasonable assessment of our losses. This includes the reasonable costs incurred by us in investigating and managing the matter as well as our reasonable legal costs. The protection provided by you under this condition will not apply if we deliberately or negligently caused the loss or if it is not consistent with relevant laws or regulations.

19. Closure of Account

- 19.1 You may close your Account with us by calling our Customer Service Centre or by logging into your Account using Internet Banking, and placing an "Account Closure" request through the "Service Request" section or by writing an email to the Account Manager (i.e. by using the secured channel). If you request to close your Account, the funds can only be transferred into your Nominated Linked Account. Please Note: If you have a HiSAVE Fixed Rate Account which is linked to HiSAVE Remittance Account, you will not be able to close your HiSAVE Remittance Account until the maturity of your HiSAVE Fixed Rate Account.
- 19.2 We may close your Account immediately in exceptional circumstances. Examples of such circumstances are if we reasonably believe that:
- 19.2.1 You are no longer eligible to hold an Account. Please inform us immediately if you do not meet any of the requirements mentioned in condition 1;
- 19.2.2 You or someone else using your Account is doing so illegally or fraudulently;

- 19.2.3 You have given us false information;
- 19.2.4 You have continually or seriously (or both) broken these Terms and Conditions;
- 19.2.5 You have behaved improperly (for example, in a threatening or abusive manner);
- If we close your Account for any other reason, we will give you two months advance notice.
- 19.3 If your Account is closed, it will not affect any legal rights or obligations which may already have arisen during the time when your Account was open.
- 19.4 If we close your Account or Accounts:
- 19.4.1 We will transfer any funds you hold with us, plus any interest built up in the Account to your Nominated Linked Account only; and
- 19.4.2 You must pay us any amounts you still owe us, or which you become due to pay us, after we have closed your Account(s).
- 19.5 If you are not happy about your choice of Savings Account, you can cancel it within 14 days of opening it. We will give you your money back with interest. The interest received will depend on the number of days the money was in the Savings Account. For cheque investments, the funds cannot be withdrawn until the cheque has cleared.

20. Legal action against you

- 20.1 If we receive notice of a fine, a court order or a court judgement against you or any other Account holder, we may refuse to allow withdrawals from your Account until the fine is paid or the legal process comes to an end. We can exercise our right of set-off (using any credit balance in any currency on any Account you hold with us) to repay any amounts you owe us even if there is a court order against you or you are fined, unless the court instructs us otherwise, or we are otherwise prevented by law. You are responsible for an amount which represents a reasonable assessment of any losses, costs or expenses we incur as a direct result of any dispute or legal action with someone else involving your Account.
- 20.2 If a petition for a Bankruptcy order is presented against you, then we may refuse to act on any instructions given by you or anyone else to make any payments out of your Account unless you have previously obtained an appropriate order from the court.

21. Claims on your Account

- 21.1 If another person makes a claim for any of the funds in your Account (for example, if someone takes legal action to recover funds they believe belong to them), or if we know or believe that there is a dispute involving someone else about who owns or controls funds in your Account, we may:
- put a hold on your Account and refuse to pay out any funds until we are satisfied that the dispute has ended;
 - send the funds to the person who is legally entitled to them, or transfer the funds to the Nominated Linked Account;
 - continue to rely on the current records we hold about you.
- 21.2 We may transfer your information to Group companies or third parties situated in other countries (including outside the European Economic Area) for the purposes of carrying out your orders, processing your payment instructions, provision of support services etc. We will take all steps reasonably necessary to ensure that such Group companies or third parties agree to apply similar levels of protection as we are required to apply in the UK.
- 21.3 We will use your information to inform you by mail, telephone or email about products and services that may be of interest to you. You can tell us if you don't want to receive such marketing information.
- 21.4 Under the Data Protection Act 1998, you have the right to see the personal records we hold about you. We may charge you a small fee (currently £10) for supplying the information and may require as appropriate your identity before doing so.
- 21.5 You have the right of access to your personal records held by Credit Reference and Fraud Prevention Agencies. We will supply their names and addresses upon request by you.
- 21.6 We require your prior written permission or request if we are asked to give a Banker's reference about you. This reference is no more than an opinion and is in no way a guarantee of your ability to make payments.
- 21.7 We may monitor or record calls, emails, text messages or other communications in accordance with applicable laws. Such recording or monitoring may take place for business purposes such as quality control and training, prevention of unauthorised use of our telecommunication systems and Website, ensuring effective systems operation, prevention or detection of crime, and protection of your personal data.

21.8 If in trying to contact you by telephone, we are unable to speak to you, we may leave a message for you to call or contact us.

22. Transfer of Rights and Obligations

22.1 The Account opened by you and your related rights and obligations are non-transferable by you.

22.2 We may transfer all or any of our rights in relation to your Account. We may also transfer any of our obligations, in relation to your Account or arrange for any other party to carry out our obligations, but only to someone we reasonably consider capable of performing them so that there is no reduction in the service standard provided to you. We will give you two months' advance notice before we make any such changes. You have the right to close or switch your Account within this 2 months' period without incurring any penalty or extra charges.

Using your account safely through the Telephone Banking Service

- When you call us, we will confirm your identity using our security procedures. We may not be able to assist you if we are unable to identify you as our customer. This is to protect the security of your Account.
- When we call you, we will never ask for details of your password or PIN (personal identification number) or other security details to identify you as our customer. We will ask you questions based on information known to us about you and the transactions on your Account.

Cancelling the Telephone Banking Service

There may be times when we have to suspend the whole or any part of our Telephone Banking Service. We will inform you by email or on our website.

24. Death and disability

24.1 If you die or become unable to manage your Account, all payments made from your Account will be valid and binding on you and your estate if they were made before we received written notice of your death or disability.

24.2 If the Account holder dies (except in the case of a joint Account holder), we will ask the personal representative(s), to provide the death certificate, grant of probate and/or letter of administration before allowing access to any funds in the Account. The representative would need to provide proof of their identity. The funds will be transferred to the Nominated Linked Account. However, if the Nominated Linked Account is

inactive or closed, the payment will be made in the name of the authorised personal representative(s). The Account will be blocked when we receive notice of the Account holder's death.

- 24.3 In the case of joint Account, if any one of the Account holder dies, the other Account holder will be allowed to access the funds from the Account.
- 24.4 We may decline any withdrawal from an Account until we have received the correct forms relating to the estate.
- 24.5 Authorising others to operate your Account
- 24.5.1 You may authorise an individual to operate your Account on your behalf by signing a power of attorney. We will accept only one power of attorney. We do not accept joint powers of attorney, except when the rights are given to the attorneys jointly or severally. If there is more than one attorney, then one of them must be nominated and all transactions must be authorised by that individual only. We will need to see the original signed power of attorney, although for some powers of attorney we may be able to accept a copy certified by those listed in our requirements, such as a solicitor. If you want any further information on powers of attorney, or if you have any queries, you may contact our Customer Service Centre. We will be glad to assist you.
- 24.5.2 For security reasons, we may not allow a person who is operating your Account on your behalf to access some services. Where we do make these services available, that person may use your security details and we will not treat it as a breach of your security obligations.

25. Financial difficulties

If you find yourself in financial difficulties, you should let us know as soon as possible. We will consider cases of financial difficulty sympathetically and positively. Our first step will be to contact you to discuss the matter. We will do all we can to help you overcome your difficulties. The sooner we discuss your problems, the easier it will be for both of us to find a solution. The more you tell us about your full financial circumstances, the more we will be able to help.

29. Financial Services Compensation Scheme

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a Bank is unable to meet its financial obligations. Most depositors - including most individuals and businesses - are covered by the scheme.

In respect of deposits, from 30th January 2017, an eligible depositor is entitled to claim up to £85,000. For joint accounts each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the combined amount in all the eligible depositor's accounts with us including their share of any joint account, and not to each separate account.

For further information about the compensation provided by the FSCS (including the amounts covered and eligibility to claim), please ask at your local branch, refer to the FSCS website, www.fscs.org.uk or call the FSCS on 0800 678 1100 or 020 7741 4100. Please note only compensation related queries should be directed to the FSCS.
