### 3. Initial deposit to your Account

The initial deposit into your account can be made from your Nominated Linked Account electronically or by a cheque (minimum GBP 1), depending upon the mode of operation of your HiSAVE account.

- 3.1 Through Nominated Linked account:
- 3.1.1 If you are applying for a single HiSAVE Account, your initial deposit should be through a transfer from your Nominated linked account. Once your account is opened, you need to request your nominated current account bank with whom you hold the account to transfer funds to your HiSAVE Account. If you are applying for a joint HiSAVE Account, you will need to fund your account by sending a cheque.
- 3.1.2 Once your HiSAVE savings account is opened you will be notified through your registered email. You need to fund the account from your Nominated Bank account within next 14 days. If in case you do not fund the account within the timelines, your account will be closed. You may however re-apply for a HiSAVE Account.
- 3.1.3 If you transfer the funds from other than your Nominated Link account, we reserve the right to send those funds back to the originating account
- 3.1.4 To carryout identity checks, we will set up a direct debit between your HiSAVE Savings Account and your Nominated Linked Account. This direct debit is an electronic link between your HiSAVE Account and your Nominated Linked Account.
- 3.1.5 If we are unable to set up a direct debit between the two accounts, your application for opening a HiSAVE Account will be rejected. You may however re-apply for a HiSAVE Account.

- 3.2 By a cheque:
- 3.2.1 Once we have carried out the identity checks, we will email you to send a cheque to us from your Nominated Linked Account, which is in your name. The cheque should be for the entire initial deposit amount (minimum amount of £1, no maximum limit). It must be in your name and drawn from the Nominated Linked Account mentioned in your HiSAVE Account application form. The cheque should have your first name/initial and last name printed on it and should be signed by you. If you are opening a single HiSAVE Account, your Nominated Linked Account can be either a single account or a joint account. If you are opening a joint HiSAVE Account, the cheque must be from a Nominated Linked Joint Current Account which is in the name of both the applicants.
- 3.2.2 You must make sure that you include your 8-digit tracking number, sent to you via e-mail, immediately after your name on the cheque you send us. Without this number, we will not be able to process your application further.
- 3.2.3 Upon successful receipt and verification of the cheque from your Nominated Linked Account in accordance with condition 3.2.1, we will open your HiSAVE Account, set up a direct debit between the two accounts and send you the account information and User ID by email within six Business Days from the date of receipt of the cheque. You must not cancel the direct debit instruction while you maintain the existing current account as your Nominated Linked Account.
- 3.2.4 Upon successful verification of the cheque, we will send it to the Bank issuing the cheque for clearing within two Business Days of receiving it. This time is required for us to authenticate the details on the cheque with the information on your application form. In exceptional circumstances this might take an additional Business Day.
- 3.2.5 If the cheque is returned unpaid, your application to open a HiSAVE Account will be rejected. You may re-apply for a HiSAVE Account.
- 3.2.6 We will transfer funds to your HiSAVE Account on the day we receive cleared funds (the Second Business Day from the date of transfer) and you will start earning interest from the second Business Day from [date of transfer] of us sending the cheque to the Bank holding your Nominated Linked Account. However, cheques received after 2:00 pm UK local time or on a day that is not a Business Day, will be treated as though we have received it on the next Business Day. **The ICS Scheme rules state that** "Any beneficiary of a cheque or a paper credit paid in on a bank business day will receive the value by 23:59 on the next bank business day or will be advised where the item has not been paid including the reason why". ICS creates a next-business-day cheque clearing cycle, by enabling images of cheques and credits to be captured at the point of deposit; these are then sent to the paying/beneficiary bank electronically, removing the need to exchange the physical paper items between the collecting and paying banks.
- 3.2.7 If we are unable to setup a direct debit, but your cheque is cleared by your Nominated Linked Account Bank, we will reinitiate the direct debit. In such circumstances, we will process your account opening as normal. However, you will be unable to transfer the money from your Nominated Linked Account to your HiSAVE Account until such time as the direct debit is set up between your HiSAVE Account and your Nominated Linked Account.
- 3.2.8 If we have not received the account opening cheque from your Nominated Linked Account within three months of receiving your application for a HiSAVE Account, we will reject the application and you will have to re-apply online to open a new HiSAVE Account.
- 3.2.9 Cheque clearing cycle: The cheque clearing cycle is the time taken for initial deposit money to be paid to your account.

- 3.3 You must not cancel the direct debit instruction we have set up between your HiSAVE Account and your Nominated Linked Account.
- 3.4 We will send a confirmation to your registered email and residential postal address informing you once the direct debit has been set up.
- 3.5 If we are unable to deliver the direct debit confirmation letter to you for any reason, we will temporarily block your HiSAVE Account until you call our Customer Service Centre and ask us to unblock it. However, your HiSAVE Account will continue to earn interest.
- 3.6 When you call our Customer Service Centre to unblock your accounts, if you fail to prove your identity, we will require you to provide satisfactory documentary evidence of your identity and address (as mentioned in section 2.1 in Opening of Account) before unblocking account.
- 3.7 If we cannot conduct an electronic check on you, and under certain other circumstances, we will ask you to provide us with an independent documentary evidence of your identity and address to open your HiSAVE Account. In this case, your initial deposit must be by a cheque (even though you may have selected the option of funding your account through direct debit to open your account). We will inform you of this by email.

## 29. Financial Service Compensation Scheme

- We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a Bank is unable to meet its financial obligations. Most depositors -including most individuals and businesses - are covered by the scheme.
- In respect of deposits, from 30th January 2017, an eligible depositor is entitled to claim up to £85,000. For joint accounts each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the combined amount in all the eligible depositor's accounts with us including their share of any joint account, and not to each separate account.
- For further information about the compensation provided by the FSCS (including the amounts covered and eligibility to claim), please ask at your local branch, refer to the FSCS website, [www.fscs.org.uk](http://www.fscs.org.uk) or

call the FSCS on 0800 678 1100 or 020 7741 4100. Please note only compensation related queries should be directed to the FSCS.
