B. General Terms

1. Opening an Account

1.1 Accounts can be opened by:

- An individual aged 18 or over;
- Two individuals in their joint names. We may allow up to a maximum of five individuals to open a joint Account.

1.2 To open an Account with us you need to complete an Account opening application form. You will be asked to provide independent documentary evidence of your identity and/or current address for fraud prevention and compliance with anti-money laundering regulations purposes. You will also be asked to confirm your tax residency for compliance with tax reporting legislation. The documents listed in the application form are not an exhaustive list and we may need you to provide other documents and/or information. We are entitled to decline to open an Account.

2. Where you have a joint Account

2.1 Any one of you may give instructions on the Account, including withdrawing the full balance, unless specified otherwise.

2.2 Any one of you may request information or enquire about any details on the Account.

2.3 Requests for additional Account opening in joint names and closure of a joint Account will need to be made by all joint Account holders.

2.4 Debit card and Internet Banking services are offered to each joint Account holder separately and any instructions relating to these services must be made by the relevant joint Account holder. For example, we will not accept a request to re-issue a debit card to a secondary Account holder if made by the primary Account holder. The secondary Account holder will be required to make the request himself/ herself through any available channel like phone banking, by visiting a Branch or Internet Banking.

2.5 Similarly, a communication address can only be updated or modified by the relevant joint Account holder.

2.6 All of you are jointly and severally liable for the Account or any money owed to us. This means we have the right to ask all or any one of you to repay the full amount owed to us. This applies even if your relationship breaks down or, if applicable, you divorce.

2.7 If any such difficulties arise between you, one or both of you should contact us in writing and notify us that the relationship has broken down or inform us about the divorce. On receipt of such notice we will only accept instructions which have been authorised by all the joint holders.

2.8 We will not be responsible for any transactions made or instructions given by either of you prior to receipt of such notice, and until we have been able to obtain your joint instructions regarding the operation of your Account.

2.9 If both of you agree in writing, a joint Account can be transferred into the name of just one of you.

2.10 If your relationship ends or you divorce, your Account will continue to operate as normal unless you notify us in writing. You can also request us to close the Account or for one or more of the Account holders' name to be removed from the Account.

2.11 There may be instances when your Account may be blocked. This may happen, for example, in the circumstances mentioned in paragraph 2.7 above or if either of the Account holders becomes bankrupt.

2.12 We may disclose to any of you any information we hold about the Account(s), including information contained in old statements. This means that where a sole Account is converted into a joint Account, information relating to the Account when it was a sole Account may be made available to any of the joint Account holders.

2.13 Internet Banking services may be used for your joint Account and we will provide you with separate terms and conditions for this. We will follow any instructions given by any one of you to us in relation to your joint Account using these services.

2.14 If any one of you dies, the Account will be operated by the survivor(s).

3. Contacting each other

3.1 We may contact you by a variety of means including by email, meeting in person, text message, post and/or telephone. If you change your name, any contact details or any other information relevant to your Account, you should tell us promptly about those changes. We will contact you at the latest address, telephone number or email address that you have given to us.

3.2 We will not be responsible for any delays caused by postal authorities.

3.3 You can contact us by calling 0344 412 4444 (calls to this number use free plan minutes if available, otherwise they cost the same as 01/02 prefix calls). You may be charged for the call by your service provider if it is made from your mobile or from outside the UK. You may also email us at ukservice@icicibank.com or write to us at ICICI Bank UK, PO Box 68921, One Thomas More Square, London E1W9HB.

3.4 Where you have a joint Account then, unless you request otherwise, we will contact only the joint Account holder named first in our records. The first named Account holder is responsible for passing information we send to the other Account holders.

3.5 If any communication or Account information sent to you is returned to us as undelivered, we will try to contact you by telephone to establish the reason for the return. If we are unable to contact you then, for the safety of your Account, we will block all further transactions unless we hear from you.

4. Authorising others to operate your Accounts

4.1 You can authorise another person to operate your Accounts by a Power of Attorney, but you should take legal advice before doing so. If you authorise another person to operate your Account then you will be responsible for their actions or omissions as if they were your own.

4.2 In certain circumstances, the law may require us to allow someone else to operate your Account (for example, if you become bankrupt, or in the event of your death). In such circumstances, any power of attorney you have given earlier may become ineffective.

4.3 For security reasons, we may not allow a person who is operating your Account for you, to access some services. Where we make these services available, that person may use your security details. We will not treat this as you breaking your security obligations because the person knows your security details.

5. Changing your Account

Cooling off period

5.1 If you are unhappy about your choice of Account, you can cancel it within 14 days of:

- The day the contract is entered into or
- The day on which you receive the contract Terms and Conditions and other information on paper or electronically.

Switching your account within ICICI Bank

5.2 We will help you switch to another Account with us and give you your money back with any interest it has earned. We will ignore any notice period and any extra charges. This does not apply to SuperSaver Bond and Fixed Deposit Accounts because these are fixed term contracts.

Switching your account outside ICICI Bank

5.3 If you decide to switch your Account to any other financial institution, we will give them information on your Standing Orders and Direct Debits within three Business Days of receiving their request. We will close or switch your Current Account without charge, when you ask us to do so. However, we may retain any credit balance until you have repaid any money you owe us.

5.4 We will refund any bank charges you have to pay as a result of any error or unnecessary delay by us when you transfer your Current Account to or from us.

6. Inactive and Dormant Accounts

6.1 If you have not made any transactions on your Current and Savings Account for a consecutive period of 24 months, we will make your Account inactive to protect against fraud. We will inform you at least three months before making your Account inactive.

6.2 The following transactions will not be allowed on an inactive Account:

- Cash and cheque deposits into the Account
- Cash and cheque withdrawals from the Account
- Renewal of a Debit Card
- Issue of a cheque book
- Change of address and contact details
- Transactions through Internet Banking
- Password reissuance
- Operation on the linked Account
- Fund transfers by Standing Order, Direct Debit, Internet Banking or manual instruction
- Inward and outward remittance by CHAPS, SWIFT and Same Business Day Payments
- Opening another Account
- Setting up Standing Orders
- Adding a joint Account holder to an existing Account.

6.3 No Account statements will be sent for an inactive Account.

6.4 To activate an inactive Account, you will need to visit any of our Branches and provide us with proof of your identity and current address. You can also send certified true copies of these documents to us at ICICI Bank UK, PO Box 68921, One Thomas More Square, London, E1W 9HB. Please call us on 0344 412 4444 (calls to this number use free plan minutes if available, otherwise they cost the same as 01/02 prefix calls) or visit any of our Branches for further details of the process for activating an inactive Account.

6.5 Your money in an inactive Account will always be your property no matter how many years pass. On the death of account holder, any balance held becomes a part of their estate. Your Account will become dormant if no activity is initiated by you for a period of 15 years. It will then be governed by the provisions of Dormant Bank and Building Society Accounts Act 2008. If you ask us, we will tell you how to access your dormant Account.

7. Money laundering regulations

You will need to provide us with proof of your identity and address. We are required by law to check and verify your identity. We may do this electronically, using a reference agency, or ask you for documentary evidence. We will check your identity when you apply to open an Account with us and may also do so at any time while you hold an Account with us or we provide you with services. We may delay or decline to process your application or provide any service until we have received satisfactory evidence of your identity.

To meet our obligations we may ask to provide documentary evidence of source of funds or source of wealth in connection with the opening and running of your account or in connection with any transaction on your account.

8. Important security information

8.1 You must take all reasonable precautions to keep safe and prevent the fraudulent use of your cards and security details (including PINs, passcodes, security numbers, passwords or other details such as those which allow you to use Internet Banking, Mobile Banking and Telephone Banking). These precautions include the following:

- Do not keep a note of your PIN or passcode or other security details where anyone else might recognise it, for example by writing your PIN/ passcode and/or other security details on or keeping them with your card or other bank documents. If you think someone else knows your PIN, password, passcode or other security details please contact us immediately.

- Take care to ensure that no one hears or sees your security details when you use them.
- Keep card receipts and other information about your Account containing personal details (such as statements) safe and dispose of them safely. You should take simple precautions such as shredding paper containing such information.

To help us continually improve our services, in the interests of security and to comply with our regulatory obligations, we may monitor and/or record your telephone calls with us.

8.3 If asked, you must confirm in writing the loss or theft of your cards or security details. If you no longer require your card and/or any unused cheques, then you must return them to us at ICICI Bank UK PLC, PO Box 68921, One Thomas More Square, London E1W 9HB, or you should destroy them. Cards should be cut diagonally across the magnetic strip into at least four pieces to destroy them.

8.4 We may ask you to co-operate with us and the police in relation to any investigation into the actual or suspected misuse of your card and/or Accounts. We recommend that you report any unauthorised transactions to the police within seven days. We may also disclose information about you or your Account to the police or other third parties like other law enforcement agencies if we think it will help prevent or recover losses.

8.5 If you find your card after having reported it lost, you must not use it again. You must cut the card diagonally across the magnetic strip into at least four pieces to destroy it.

We may not be able to assist you if we are unable to identify you as our customer since this is to protect the security of your Account.
- When we call you, we will never ask for details of your password, passcodes or PIN to identify you as our customer. We will ask you questions based on information known to us about you and the transactions on your Account.

- CHAPS
- SWIFT Payments
- Money Transfers to India
- Standing orders
- Direct Debits
- Debit Card payments

Please refer to Definitions in Section A of these Terms and Conditions for an explanation of these different kinds of payment.

2. Requirements for making a payment

When making a payment, you must ensure there is sufficient available balance in your Account and you must provide with correct and complete details. If you do not do so, we will not be liable for failing to make a payment or for making an incorrect payment, but we will make reasonable efforts to recover your funds (although we may charge you for this). Payments within UK are made on the basis of sort code and account number of an account and not the name of the account holder. Such payments are made in sterling (GBP) currency.

Please refer to section C.3 for foreign currency payment using SWIFT and refer to our Money Transfer to India terms and conditions for INR payments for personal accounts.

3. Payments that involve a foreign currency exchange (SWIFT Payments)

3.1 You can make payments from your Current Account, through any of our Branches. If you make a payment in a currency other than the currency of your Current Account, we will use the prevailing exchange rate as applicable at the time of conversion. If you would like to know the exchange rate used, please contact us at any of our Branches.

3.2 If a payment made in another currency is returned, we will convert the amount back to the original currency at the exchange rate prevailing on the date of return of funds.

3.3 The charges incurred will be shared between you and the beneficiary. This means that charges made by our correspondent/intermediary bank will be charged to you and charges made by the intermediary/correspondent bank of the beneficiary's bank will be incurred by the beneficiary. In the case of cross currency transactions (other than from GBP to INR), you may choose between OUR charges (all correspondent/intermediary bank transaction charges are to be met by you), BEN charges (all correspondent/intermediary bank transaction charges are to be met by the beneficiary) or SHA charges (transaction charges made by our correspondent/ intermediary bank will be met by you and charges made by the beneficiary bank's intermediary/correspondent charges will be met by the beneficiary). In the absence of any instructions, the charges incurred will be SHA (Shared). Payments in currencies where the originator and beneficiary are in EEA countries the charges will be shared between the payer and payee (SHA) or only by the payer (OUR).

4. Direct Debits

4.1 To set up a Direct Debit you must submit a Direct Debit instruction to the recipient.

4.2 The recipient of the Direct Debit will lodge the Direct Debit instruction electronically onto your Account but may occasionally send the original Direct Debit instruction you completed

to us. When each payment request is received by us, we will check if the reference for that payment matches the reference on the Direct Debit instruction. Only then will we make the payment from your Account.

4.3 You can withdraw your agreement for Direct Debit payments to be made at any time by telling us via any Branch, calling our Customer Service Centre or Internet Banking by 12:00 noon on the Business Day before that payment is due to be made by us. You should also inform the recipient that you have cancelled the Direct Debit.

4.4 All Direct Debits received will be processed by us within 24 hours of receiving the request from the recipient or the recipient's bank.

4.5 If you think there has been an incorrect Direct Debit payment in GBP, you should tell us immediately so that we can arrange a full and immediate refund. You should do this even if the original error was made by the business or organisation that set the Direct Debit up. You should also contact them to let them know what you have done and why.

5. Debit Card payments

5.1 You can pay for goods and services using your Debit Card in the UK and abroad at retailers who display a VISA logo.

5.2 Before we process a payment from your Account, we will require you to enter details of your PIN into a keypad or to provide a signature when you make a purchase or make a cash withdrawal from an ATM. For online, telephone or mail order transactions we will also require certain personal details and the three digit card security number on the back of your card. We will advise the retailer or other supplier if we are prepared to authorise the payment to be made from your Account. To help us make a decision and to prevent misuse of your Debit Card we may refer an authorisation request back to the retailer for further information. This may result in you being asked to produce further identification.

5.3 We will not be responsible if a retailer or other supplier refuses to accept your Debit Card for reasons beyond our control.

We will normally deduct from your Account the amount of a Debit Card payment made on the same day that we receive the request from the retailer. We will make the payment to the retailer on the same day or the day we receive the payment request from VISA.

5.4 We cannot cancel a payment made using a card once you have given your consent to make the payment to the retailer. You will need to contact the retailer separately. However, you can contact us (by visiting a Branch, calling our Customer Service Centre or via Internet Banking) to cancel a future dated payment that you have set up using your Debit Card (such as magazine subscriptions). These payments are also known as 'Recurring Payments' or 'Continuous Payment Authorities'. You can do this at any time before 3:00 pm on the Business Day before the payment is due to be made. We recommend that you also contact the organisation you are paying to cancel the payment.

5.5 If a retailer agrees to give a refund for a purchase made using a card payment, we will make the refund when we receive clear funds from the retailer.

5.6 If you make a payment by Debit Card and the merchant does not claim the funds from us, we will refund this amount to your Account within 15 Business Days of the actual debit.

6. Cash withdrawals

6.1 You can withdraw cash from your Account over a Branch counter or from an ATM that allows cash withdrawals and has a VISA logo. There is a limit on the amount you can withdraw each day from an ATM. Please refer to the Debit Card Terms and Condition for up to date information on withdrawal limits.

6.2 Cash withdrawals from an ATM will be deducted from your Account on the same day.

For cash withdrawals at an ATM outside the UK, the amount of any cash withdrawal made in a currency other than GBP will be converted into GBP. See the Rates and Charges Leaflet available at our Branches or on our Website for charges that will apply.

6.3 For withdrawals over the counter at Branches, you must provide a proof of identity acceptable to us, and the cheque book or withdrawal slip available at branch. You cannot withdraw more than £2,000 over the counter in one day. If you wish to withdraw more than £2,000, you will need to contact your nearest Branch or telephone Banking 1 Business Day in advance.

6.4 We will deduct cash withdrawals made over the counter at any of our Branches from your Account immediately. You cannot use your Debit Card for withdrawals over our counters.

7. Cash payments into your Account

7.1 You can pay in cash at any of our Branches. You must complete a paying-in slip to do this. Counterfeit currency may be confiscated. You must not send cash to us by post.

7.2 If you pay cash at one of our Branches it will be added to your Account and treated as available immediately. It will be treated as cleared for interest calculation purposes on the same day.

7.3 If you use one paying-in slip to pay a mixture of cash and cheques into your Account over the counter at one of our Branches, the cash will be credited to your Account and will be available for you to withdraw and will start earning interest (if applicable) from the same day. Please see paragraph 8 below for the treatment of cheques.

7.4 Other banks may allow you to pay in cash to your Account through their branches. The credit will appear in the balance of your Account three Business Days later. The cash is treated as cleared for interest calculation purposes (if applicable) two Business Days after it has been paid in at the other Bank.

7.5 There is no threshold or minimum amount for a cash deposit which requires proof of funds however there will be instances when a cash deposit may require further due diligence. In such cases we may request evidence of source of funds to be provided

8. Cheques you issue from your Account

8.1 When you write a cheque you must take all reasonable precautions to prevent anyone else altering it or making a forgery. This includes (but is not limited to):

- Using black ink which cannot be erased
- Never leaving a gap between words or figures
- Never signing a cheque before you use it
- You should draw a line through the unused space on the cheque so that it will prevent unauthorised people adding extra numbers and names
- You must sign all alterations to cheques you issue.

8.2 When you write a cheque you must clearly write the name of the payee and you should also put some additional information, as this will help us to prevent fraud. If you are paying the cheque to a large organisation, financial institution, Bank or building society you may add further details on the payee line (e.g. HM Revenue and Customs re. XYZ (reference number)).

8.3 You can write cheques only in the currency of your Account.

8.4 You should not issue a future dated cheque. If you do so and the cheque is presented to us before that date, we will not pay it.

8.5 If we receive a cheque issued by you that is more than six months old we may decline to pay it.

8.6 We may decide not to pay a cheque if:

- There is not enough money in your Account or
- The check has a technical irregularity (for example there is a difference in the amount in words and figures, or the signature is different to that held in our records) or
- We have reasonable grounds to suspect fraudulent activity.

8.7 You must tell us as soon as possible if you become aware that any cheque has been lost or stolen.

8.8 If you issue a cheque and it is deposited outside the UK, we will deduct charges which we incur for transferring the money to the beneficiary. These charges may include SWIFT or foreign currency demand draft charges and postal charges.

8.9 If you ask us to “stop” a cheque we will do so, provided:

- The cheque has not been paid already
- We receive the request to stop it before 11:00 am on the day the cheque is presented for payment and
- You have provided sufficient details for us to identify the transaction, for example cheque number. Please refer to our Rates and Charges Leaflet for the stop payment charges

8.10 When you issue a cheque from your Account, the amount will be deducted from your Account two Business Days after the beneficiary deposits the cheque into their Account. For example, a cheque paid in on a Monday will be deducted from your Account on Wednesday. More time may be needed for a cheque paid into a building society account or any bank outside England or Wales or any account held at a non-clearing bank.

9. Standing orders

9.1 On the day specified in the standing order, we will debit your Account. It will take one Business Day for the beneficiary bank to receive money. If the day specified in the standing order falls on a non-Business Day, we will consider it to be specified for the next Business Day. The payee’s Bank will then receive the money in two Business Days.

9.2 If the standing order is not processed on the due date due to reasons such as there being an insufficient balance in your Account, we will not attempt to process the same instruction again. If you do wish to make the payment, you will need to contact us and provide separate instructions. We will continue to process all future Standing Instructions on their scheduled dates.

9.3 You can instruct us to stop or cancel a standing order by telling us at any Branch, by Telephone Banking or by Internet Banking if:

- The amount has not already been taken out of your Account or
- We have not told the person to whom it is payable or their Bank that it will be paid or
- You instruct us before 12:00 noon of the Business Day before which the payment is due.

9.4 If you wish to cancel a standing order which has been set up using the Internet Banking facility, we recommend you cancel the standing order using Internet Banking. If you wish to cancel the instruction by visiting our Branch, you may need to tell the Branch staff that the standing order was originally set up online.

9.5 If you set up a standing order by visiting a Branch, you can cancel it at the Branch or using the Telephone Banking service.

10. Payments into your Account

10.1 We will credit to your Account cash and cheques that are payable to you. In the case of a joint Account, we will accept a cheque made payable to any one of you. However, cheques made payable to joint names cannot be credited to an Account in a sole name.

10.2 All UK electronic payments received between 9:00 am and 3:30 pm on a Business Day, will be credited into your Account within two hours of receipt of funds by us.

10.3 All UK electronic payments received after 3:30 pm on a Business Day or anytime on a non-Business Day, will be credited into your Account by 11:00 am on next Business Day.

10.4 If you receive a payment in a currency other than the currency of your Account, we will use our prevailing exchange rate as applicable at the time of conversion. If you would like to know the exchange rate used, please call us on 0344 412 4444 (calls to this number use free plan minutes if available, otherwise they cost the same as 01/02 prefix calls).

10.5 We can only accept responsibility for payments into your Account after we have received and checked them.

10.6 Payment instructions received from the payer's Bank may be rejected by us if your Account is inactive, dormant or frozen. The instruction will then be returned to the payer's Bank within one Business Day, and funds will be credited into the payer's account depending upon the clearing scheme supported by the payer's Bank.

10.7 If a payment is fraudulently or mistakenly paid into your Account or if a rejection is received from the payer's Bank for a previously received payment instruction, the amount of the payment may subsequently be deducted. This may happen even if the funds are included in the balance of your Account, you have used them to make a payment, or have transferred or withdrawn all or part of them. If the deduction of the payment from your Account makes your Account overdrawn, we will treat this as an unauthorised overdraft. If we do so, we will apply interest and charges as mentioned in our Rates and Charges Leaflet for the unauthorised overdraft.

10.8 Clearing cheques

10.8.1 The "clearing cycle" is the time taken for money paid into your Account to be added. All cheques deposited in our Branches by 2:00 pm (the "cut off time") will be processed the same day. All cheques deposited after the cut off time will be processed on the next Business Day and for the periods mentioned below will be treated as being received on the next Business Day. When you pay a GBP cheque from another bank in the UK into your Account with us:

I. We will deposit the cheque in your Account on the same day if we receive it before the cut off time

II. We will start paying interest (if any) on the cheque from the second Business Day after we receive it

III. The funds will be available for you to use from the fourth Business Day after we receive the cheque, but the cheque may still be returned unpaid up until the sixth Business Day after we receive it and

IV. From the end of the sixth Business Day after we receive it, if the cheque is returned unpaid by the paying bank, we cannot take money from your Account without your consent unless you have acted fraudulently. So, for example, if you pay in a non - ICICI Bank cheque on a Monday, it will start earning interest on Wednesday, you can use the money on Friday and we cannot take the payment out of your Account after the following Tuesday (unless you have acted fraudulently). If the bank, building society or other organisation that the cheque was drawn on decides not to honour it, they will normally explain the reason for non-payment.

We will deduct the amount of the cheque from your balance no later than the end of the sixth Business Day after it was added to your balance. In all circumstances, you will be the owner of the funds on the sixth Business Day after the deposit of the cheque, and the amount of your cheque cannot then be debited from your balance without your consent unless you were knowingly involved in a fraud concerning the cheque.

10.8.2 If cheques are deposited with giro slips at any other bank, you will earn interest from the second Business Day, but you will only be able to withdraw funds from the sixth Business Day.

10.8.3 If an amount is credited to your Account in error, we will earmark the relevant funds and notify you. The amount will be debited from your Account after that notification.

10.8.4 If a cheque is returned unpaid by the paying bank before the end of the sixth Business Day from the day it is paid in, we can take the money back out of your Account, even if you have already spent it or it puts you into an unauthorised overdraft. If this happens, we will let you know. We will apply interest and charges as mentioned in our Rates and Charges Leaflet.

10.9 Foreign cheques

10.9.1 Foreign cheques mean cheques in a foreign currency or cheques in GBP paid out of an Account at a bank outside the UK.

10.9.2 We will take our charges for dealing with foreign cheques, and any charges by the foreign Bank and our agent (including any charges resulting from the foreign Bank returning the cheque unpaid or asking for the money to be returned) from the Account you told us to pay the cheque into.

10.9.3 Occasionally it is not possible to obtain payment of foreign cheques because of local foreign exchange or other restrictions.

3.1 When we assess whether to make or authorise payments, we may consider any other payments we have made or agreed to make from your Account that day, even if those other payments have not already been deducted from your Account. You must take this into consideration when requesting payments.

We may delay or refuse to make or authorise a payment if:

- (a) We reasonably believe that you did not give us the instructions or;
- (b) Occasionally, for fraud prevention purposes, we may have to contact you to re-confirm some payments (example, high value payments) or ask for additional security information, if we reasonably suspect fraud or it is prudent in the interests of crime prevention. In such cases we will confirm the transaction by making a return telephone call to a telephone number that we hold on our records for you. We will decline payment requests made through Telephone Banking, Internet Banking or Mobile Banking if we are not able to contact you.

3.2 If we refuse to make a payment that you have requested we will inform you of this by the close of next Business Day. 4. Conduct of your Account

- For unauthorised overdrafts, we may charge our applicable fee, as per our Rates and Charges Leaflet, each time your Account becomes overdrawn and we will inform you accordingly.
- We may not allow a payment if it makes your Account overdrawn or exceed any agreed overdraft limit. If we do pay the cheque or other item or card transaction and your Account becomes overdrawn or you exceed any agreed overdraft limit, this does not mean that we have agreed to an overdraft or increased the limit. You must immediately pay enough money into your Account to cover the overdrawn amount or the amount that is over your agreed overdraft limit.

We may use any amount you have in your Account and in any currency to settle overdrafts in your name and/or a joint Account. We will inform you before doing this unless we reasonably think that you will move your funds in order to prevent us from applying set-off. Please refer to paragraph 13 in section G for other provisions on “set-off”.

4.2 We may ask you to sign a telecommunication mandate which authorises us to act on your instructions received by us through telephone and/or email. Instructions received by us through the secured channel of Internet Banking will also be executed by us on your behalf.

4.3 If a petition for a bankruptcy order is presented against you, we may:

- (a) Refuse to act on any instructions given by you or anyone else to make payments out of your Account unless you have previously obtained an appropriate order from the court and/or
- (b) Set up a separate Account in your name into which any of your future payments will be credited.

- If you provide us with extra information to that specified by us, we will only be responsible for making the payment based on the information we have told you we require.
- For payments to another bank account, we will make sure payments are sent to the beneficiary’s bank. It is that bank’s responsibility to make sure the payment is added to the bank account of the beneficiary.
- If you have instructed us to make a payment, we are responsible for it being made correctly to the beneficiary bank. If required, we will prove to you or the beneficiary bank (as appropriate), that the payment was received by the beneficiary bank within the timescales for executing payments.
- If we do not carry out your instructions, delay doing so, or do not do so correctly, we will be liable for losses, including charges we may have applied at the time of execution of the transaction and any resulting interest loss. We will not be liable to you for any losses we could not reasonably be expected to have foreseen.
- We will take reasonable steps to ensure that email and other transmissions passing over the internet remain confidential and are not interfered with. However, we cannot completely guarantee the privacy or confidentiality of any information passing over the internet or that it will not be interfered with.

To be entitled to an immediate refund, you must provide the information reasonably necessary to establish that these terms have been satisfied. If you are not satisfied with the reason for refusing a refund, please contact your local Branch or our Telephone Banking service. If we discover subsequently that you are not entitled to a refund, we will be entitled to reapply the payment(s) to your Account, together with any applicable interest and/ or charges.

You will not be entitled to a refund where you have given your consent to the payment directly to us and at least four weeks in advance:

- (a) We or the payee have provided you with information about the payment or

- We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a Bank is unable to meet its financial obligations. Most depositors - including most individuals and businesses - are covered by the scheme.
- In respect of deposits, from 30th January 2017, an eligible depositor is entitled to claim up to £85,000. For joint accounts each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the combined amount in all the eligible depositor's accounts with us including their share of any joint account, and not to each separate account.
- For further information about the compensation provided by the FSCS (including the amounts covered and eligibility to claim), please ask at your local branch, refer to the FSCS website, www.fscs.org.uk or call the FSCS on 0800 678 1100 or 020 7741 4100.
