

HiSAVE Savings Account - Terms and Conditions

These terms and conditions apply to the HiSAVE Savings Account (Yearly Interest and Monthly Interest option) (hereinafter referred to as the "HiSAVE Savings Account"). They, together with our General terms and Conditions, Internet Banking and Text Message Banking Terms and Conditions are a contract between you, the customer, and us, ICICI Bank UK PLC.

These are our standard terms and conditions upon which we intend to rely for our products and services from time to time. For your own benefit and protection you should read these terms and conditions carefully before applying for any of our products and services. If you do not understand any of the terms or conditions, please contact us for further information.

The HiSAVE Savings Account is an online, variable rate and easy access savings deposit account. There is no requirement for you to open a current account with us in order to open a HiSAVE Savings Account.

We are an Associate Member of the British Bankers' Association.

1. Opening an account

1.1 HiSAVE Savings Account can be opened only if you meet the following requirements:

1.1.1 You are an individual, aged 18 or older, resident in the United Kingdom (but not including the Isle of Man or the Channel Islands) for at least one year at the time of opening of your HiSAVE Savings Account; and

1.1.2 You have an existing current account with a bank or building society in the UK ("bank") with electronic funds transfer, cheque book facility in your name and direct debit facility (the "nominated linked account"); and

1.1.3 You have access to electronic mail (email) facilities, and a valid current email address.

1.2 If you have not been resident in the UK for at least one year we may consider your request to open a HiSAVE Savings Account if you already have a current account with us and you provide us with additional documents as requested by us.

1.3 When you apply for an HiSAVE Savings Account, we will not be able to open your account until we have carried out various checks. We must check your identity for fraud prevention and compliance with Anti Money Laundering regulations. If we cannot do the checks electronically and under certain other circumstances, we will ask you to provide independent documentary evidence of your identity and/or address (for example electricity bill as proof of your address and your UK driving license or your passport as proof of your identity). When you apply for the HiSAVE Savings Account, we will let you know which documents we will accept as proof of your address and identity. If we do not receive such documentary evidence, as we require, and we are unable to open the HiSAVE Savings Account within three months of the date of receiving your application we may ask you to reapply online to open a HiSAVE Savings Account and provide fresh evidence of your identity. We reserve the right to decline your application if we are not satisfied with the identity documents you have provided us.

1.4 If you are no longer eligible for the HiSAVE Savings Account, we may close your HiSAVE Savings Account by giving you 30 days' notice. If for any reason you do not meet any of the requirements mentioned in Condition 1.1 you must immediately inform us about the same. To open a HiSAVE Savings Account, you must make an initial deposit by cheque of minimum £1 from your nominated linked account, which is in your name. If you are opening a single HiSAVE Savings Account, your linked current account can be either a Single account or a Joint account. However, if the linked account is joint current account, the cheque should be signed by one or all of the current account holders, as per the operational set up of the account. If you are opening a joint account, the cheque must be from nominated linked joint current account which is in the name of both the applicants.

Your nominated linked account must:

1.4.1 Have a cheque book for the account with your name (or joint names, whichever the case may be) pre-printed on each cheque;

1.4.2 Be able to set up Direct Debits from the account and

1.4.3 Have electronic funds transfer facility.

- 1.5 If we have not received from you a minimum £1 cheque from your nominated linked account within three months of receiving your application to open HiSAVE Savings Account, we may reject the application and you will have to re-apply online to open a HiSAVE Savings Account.
- 1.6 When you send us a cheque it must be in your name and from the nominated linked account as stated by you in the HiSAVE Savings Account online application form, for the initial deposit as mentioned. You must make sure that you add your 8 digit tracking number sent to you via e-mail by us immediately after your name on the cheque you send us.
- 1.7 Upon successful receipt and verification of cheque from your nominated linked account as per clause 1.6, we will open your account and send you the account information and Internet Banking User ID by e-mail within five working days from the date of clearing of the cheque.

If you have applied for a single HiSAVE Savings Account you will be able to generate your chosen password while filling up the application form. You will then be able to login to your account using the User ID (sent by e-mail) and this password which you have generated.

If you have applied for a Joint HiSAVE Savings Account you will be able to generate your chosen password for the primary applicant while filling up the application form. You will then be able to login to your account using the User ID (sent by e-mail) and this password which you have generated. The password for the secondary applicant will be sent separately to his/her residential address within 7 working days from the date of account opening.

If you have not generated your chosen password while filling the application form the password(s) for all applicants i.e. sole applicant in case of single application and primary & secondary applicants in case of Joint applications, will be sent separately to their residential addresses within 7 working days from the date of account opening.

When you login to your account for the first time with either your chosen password or the one that we sent you, you will be prompted to change the same. This is to maintain security of your own account. We strongly recommend that you change your password at this stage.

2. Communication between you and us

- 2.1 We may contact each other by post, telephone, computer (and subject to condition 12) which includes internet/electronic mail, digital television and any other electronic means and/or message made by any type of electronic device including but not limited to mobile/cellular communications or by any other method we agree. If we post a letter to you in the United Kingdom (the UK) it will be considered to be received 24 hours later if sent by first class post, 72 hours later if sent by second class post. If we post a letter to you at an address outside the UK, it will be considered to be received by you seven days after being sent. Electronic mail will be considered to be received on transmission, subject to a receipt or transmission confirmation. Your HiSAVE Savings Account may be accessed through the internet via www.icicibank.co.uk (the "website") or such other internet link as we may from time to time advise you. If we communicate with you through post, we will use your residential address as per our records as your communication address.
- 2.2 For any queries in relation to opening a HiSAVE Savings Account you can contact us by sending us an email at ukdirect@icicibank.com or you can write to us at ICICI Bank UK PLC, HiSAVE UK, PO BOX 867, Wembley HA0 9DA.
- 2.3 After your HiSAVE Savings Account has been opened, you can communicate with us by sending us e-mails by logging into your HiSAVE Savings Account via the website. This is a secured and an authorised mode of communication between you and us.
- 2.4 If there are technical problems in logging into your HiSAVE Savings Account or if you cannot access your HiSAVE Savings Account for any reason you can contact our Customer Service Centre for assistance or send us an email at ukdirect@icicibank.com.
- 2.5 If you want to prevent others from reading email or text or electronic messages we send you, you must set up your own protection system such as a password on your system whether it is at home or at work. You understand that we may not be able to prevent messages being monitored at your work or home.
- 2.6 When you telephone our Customer Service Centre or contact us through the website, we will use the account-related details and security details which you gave us when you opened your HiSAVE Savings Account. This is done for your own security and you will not be able to operate your HiSAVE Savings Account without them. We recommend that you use a touch tone phone while calling our Customer Service Centre.
- 2.7 If you have forgotten your password, you must call the Customer Service Centre, where one of our customer service executives will ask you security questions to ascertain your identity for regeneration of your password. While you are waiting for your new password to arrive,

you cannot give us any new instructions (including, without limitation, changing your existing nominated linked account or changing your personal or contact details). If you have placed a request for a new password and are waiting for it to arrive, we request you not to use your old password as this will block the new password as well. You may also request for the password online using the 'Forgot Password' option on the login screen of our internet banking facility.

- 2.8 We shall send you the password for activation of your HiSAVE Savings Account through post at your communication address with us. Please note that we cannot send it at any other address. Please therefore effect any change in address prior to making a request for a new password.
- 2.9 You must have a touch-tone phone to access our Customer Service Center. Otherwise you will have to give instructions or get information about your account using our website (www.icicibank.co.uk). Also, if you forget your User ID and / or your password, you will not be able to operate your account online.
- 2.10 We shall contact you at the latest address, telephone number or electronic mail address that you have given to us.

You need to tell us as soon as possible if you change your name, any address or electronic mail address or make any other changes relevant to the account. You will be responsible for any loss or damage that may occur for not keeping us updated about your changed address or details relevant to the account.

We are required to continue sending information to you at the last known address (postal and electronic mail) we have for you. We are not responsible for any loss, damage or consequential losses, if you do not inform us promptly of a change to your details and address relevant to the account.

Unless you request otherwise we will contact only the joint account holder named first in our records subject to any legal and regulatory requirements. The first named account holder is responsible for passing information we send to the other account holders.

3. Payments into your HiSAVE Savings Account

- 3.1 To open a HiSAVE Savings Account, you must make an initial deposit by cheque of minimum GBP 1 from your nominated linked account, which is in your name. If you are opening a single HiSAVE Savings Account, your linked current account can be either a Single account or a Joint account. However, if the linked account is joint current account, the cheque should be signed by one or all of the current account holders as per the operational set up of the account. If you are opening a joint account, the cheque must be from nominated linked joint current account which is in name of both the applicants.
- 3.2 Apart from your first deposit, when we have set-up your HiSAVE Savings Account, you can make more payments into it by:
- 3.2.1 Setting up a direct debit with us.
- 3.2.2 Setting up a standing order from another bank.
- 3.2.3 Arranging with another bank or building society to make a payment into your HiSAVE Savings Account (for example, by electronic transfer)
- 3.2.4 Transferring money from a current account you hold with us.

Cash, cheques (other than for the initial deposit) or other forms of deposit are not acceptable. When making payments electronically into your HiSAVE Savings Account you will have to give the Bank or Building Society making the payment our sort code (30-00-81) and your HiSAVE Savings Account number.

- 3.3 When we receive the initial deposit cheque made out to you, we will send it to the bank issuing the cheque for payment. Each UK cheque paid into ICICI Bank UK accounts clear on the sixth working day from the date of the deposit of the cheque. However, if we receive a cheque, or an instruction to collect a payment electronically, after 1300 Hrs GMT or on a day that is not a business day, we will treat it as though we received it on the following business day. Also see clause 6.4 regarding the central clearing cycle.
- 3.4 When you make a electronic request on the website for a specified amount of funds to be withdrawn from your nominated linked account and credited to you HiSAVE Savings Account, we will use the Direct Debit set up between your nominated linked account and your HiSAVE Savings Account to pass this request to your bank. There is no limit to the number of transactions you can carry out each day. It usually takes four business days for us to receive the funds. This amount will be credited into your account on the same day on which we receive it and will start

earning interest. However, these funds will be available for withdrawal only on the fourth business day from the day we process your instruction.

The Direct Debit set up between your nominated linked account and HiSAVE Savings Account is governed by the Direct Debit Guarantee and if any money is wrongly taken by us from your nominated linked account under the Direct Debit Authority given to us, we will refund the money to your nominated linked account as soon as reasonably practicable. In order to do this we may seek additional information from you to establish whether money was wrongly taken by us from you.

You must not cancel the direct debit instruction which we have set up between your HiSAVE Savings Account and your nominated linked account. Your direct debit instruction will expire if you do not use the direct debit facility within 13 months of the last date of use. If your direct debit mandate expires you will then need to set up a new direct debit mandate. Please contact us to set up a new direct debit mandate in case yours' has expired.

We will act within one working day of receipt of your request to transfer funds. However, If we receive an instruction to collect a payment electronically, after 1300 Hrs GMT or on a day that is not a business day, we will treat it as though we received it on the following business day.

- 3.5 The minimum amount you need to transfer is GBP 1. If you set up a standing order from another bank or if there is a arrangement with another bank or building society to make a payment into your HiSAVE Savings Account there is no limit on the maximum amount of funds you may transfer into your HiSAVE Savings Account. However if you transfer funds from your current account with us you can only transfer up to £500,000 per day to your HiSAVE Savings Account. There is however no limit on the number of transaction you can carry out each day if the amount is within the transferable amount.
- 3.6 We will not be able to transfer funds between your HiSAVE Savings Account and the nominated linked account unless we have a valid Direct Debit set up between your nominated linked account and the HiSAVE Savings Account.
- 3.7 Apart from the initial deposit, you cannot ask us to transfer funds between your HiSAVE Savings Account and the nominated linked account unless we have a valid Direct Debit instruction for that nominated linked account.

4. Withdrawals from your HiSAVE Savings Account

- 4.1 You can carry out transactions on your HiSAVE Savings Account by logging into your HiSAVE Savings Account through the internet banking facility by using our website. Funds will only be transferred from your HiSAVE Savings Account to a nominated linked account in your name with a bank with electronic funds transfer facility. Either you or we may request the transfer of funds at any time on one working day's notice
- 4.2 When you instruct us to transfer money to your nominated linked current account, the following will apply:
 - 4.2.1 We will immediately take the amount of payment from your account; and
 - 4.2.2 The amount of payment will usually be available in your nominated linked current account after three business days from the date of your request (this may take an extra business day if you gave the instruction after 1300 Hrs GMT or on a day that is not a business day).
- 4.3 When you instruct us to transfer money to your nominated linked current account using our website, the following will apply:
 - 4.3.1 You can transfer only £ 50,000.00 per transaction from your HiSAVE Savings Account. However, there is no limit to the number of transactions you can carry out each day.
 - 4.3.2 We will act within one working day of receipt of your request to transfer funds. If we receive an instruction, after 1300 Hrs GMT or on a day that is not a business day, we will treat it as though we received it on the following business day.
- 4.4 We do not charge for electronic transfers done through BACS.
- 4.5 We charge £20 if you want a CHAPS transfer to be made from your HiSAVE Savings Account. A CHAPS transfer will be executed on the same working day if instructions are received by us before 11:45 Hrs GMT on that day.

5. Confirmation of Instructions and Transactions

- 5.1 If you give us an instruction by calling our Customer Service Center, we will confirm it on the phone to you.
- 5.2 We will not give you written confirmation when we receive funds into your HiSAVE Savings Account or when we transfer funds from your HiSAVE Savings Account to your nominated linked account. These amounts will appear in your account statements.

6. Operation of the Account

- 6.1 You can give us instructions either verbally, by telephone or through the website in respect of your HiSAVE Savings Account. Generally we cannot change or stop an instruction given by you over the telephone or through the website (unless we inform you otherwise) because we start processing instructions when we receive them. If we are able to cancel your instructions we may charge you for the same.
- 6.2 Before we act on instructions given by you by telephone or through the website you will have to answer the security questions which we may ask you. See also Condition 9 (Security). You agree that as long as we are given correct answers to the security questions referred to above and User ID & password (for internet banking through the website) as part of our security procedures, we can (without getting further confirmation from you) act on any instruction to make payments into or out of an account; and release confidential information we hold about you and your accounts.
- 6.3 When you transfer money to your HiSAVE Savings Account, we are sometimes given value for a payment before the transferring bank has checked that there are sufficient funds in your nominated linked account. The transferring bank (or BACS in some cases) may reclaim the payment and we will need to take the amount of this payment out of your HiSAVE Savings Account along with the interest which we might have paid.
- 6.4 The clearing cycle is the time taken for money paid from or to your account to be deducted or added. Each UK cheque paid into ICICI Bank UK accounts clear on the sixth working day from the date of the deposit of the cheque. Whilst we may credit such amounts to your account on the date of presentation, the funds will be available to withdraw on the fourth working day from the date of the deposit for both current and savings accounts. The amount deposited will start earning interest from the second working day of the deposit for all types of savings and fixed rate accounts. If the bank, building society or other organisation that the cheque was drawn on decides not to honour it, they will explain the reason for non-payment. Thereafter, we will deduct the amount of the cheque from your balance no later than the end of the sixth business day after it was added to your balance. In all circumstances, you shall be the owner of funds on the sixth working day of the deposit of cheque and the amount of your cheque cannot be reclaimed from your balance without your consent to our doing unless you were knowingly involved in a fraud concerning the cheque.
- Where legal reasons require, or in certain limited circumstances beyond our control, the payment of a cheque into your account may be prevented or may take longer than the time periods set out herein.
- 6.5 If you intend to transfer funds from your nominated linked account to your HiSAVE Savings Account there must be a valid direct debit set up between the two accounts. You must not cancel the direct debit instruction while you have the nominated linked account. Your direct debit instruction will end if you do not use the direct debit facility within 13 months of the last date of use. If your direct debit mandate expires you will then need to set up a new direct debit mandate.
- 6.6 We will act within one working day of your request to transfer money from your HiSAVE Savings Account to your nominated linked account. If the request is received after 1300 hrs GMT or on a day which is not a working day, we will act on your request on the next working day. It may take up to five working days for the transferred money to reach your nominated bank account if that account is not an account held with us. This will depend upon the Bank/Building Society with whom you hold the nominated linked account.
- 6.7 You must notify us promptly if you experience any failure, delay or error in the website or in the operation of your HiSAVE Savings Account or you suspect any breach of security or fraud.
- 6.8 Our records of your internet instructions will be conclusive unless they are clearly wrong.
- 6.9 If you act fraudulently you will be responsible for all losses on your HiSAVE Savings Account. If you act without reasonable care, and this causes losses, you may be responsible for them. See also Condition 16 (Liability).
- 6.10 We reserve the right to remove, suspend or reduce access to the website and/or telephone banking services and associated services without giving you notice if we consider that there is a security or fraud risk.
- 6.11 You authorise us to act on the instructions given by you on the telephone or through the website whether or not those instructions are given by you, provided we are satisfied that all security measures have been complied with.
- 6.12 If you have given instructions over the telephone or through the website we may further require you to confirm those instructions in writing.

- 6.13 We can refuse to act on any instruction if:
- 6.13.1 we have a reason for believing that you did not give us the instruction;
 - 6.13.2 the instruction is not clear;
 - 6.13.3 we believe that to carry out the instruction would be unlawful, or would result in the breach of a regulation, code or other duty which applies to us; or
 - 6.13.4 we believe that carrying out the instruction may damage our reputation;
 - 6.13.5 it is to be performed in at a future date;
 - 6.13.6 it is condition on happening of certain event;
- 6.14 We may apply financial and other limits to telephone instructions and instructions through the website from time to time. Wherever possible we will give you notice, but we may vary these limits at any time with immediate effect. We will tell you if your transaction exceeds any of the limits.
- 6.15 We can refuse or delay acting on a request from you or ask for more details, for instance proof of identity if we think that it may not have been properly authorised, or may cause us to breach the law or a contractual duty, or we think your HiSAVE Savings Account is being used for an illegal purpose, or because the anti-money laundering regulations prevent us from doing so. Routine maintenance, demand on the systems and other circumstances may result in it not being possible for you to access the website or may result in particular services being slow or unavailable. In all such events we will not incur any liability for any losses caused to you.
- 6.16 If you intend to change your nominated linked account you must inform us in advance. When you contact us we shall let you know what documents you need to send us to enable us to execute your request. Further, if you change your nominated linked account within 30 days of opening your HiSAVE Savings Account or at a later point of time then we reserve the right to seek enhanced due diligence information from you. Please note: you cannot change your nominated linked account more than once within a period of 6 consecutive months. The changed nominated linked account must be an existing account in your name with a bank or a building society with electronic funds transfer, cheque book facility in your name (or joint names, in the case of a joint current account) and direct debit facility.
- 6.17 If there is no transaction initiated by you or if your HiSAVE Savings Account is unused, for two years, we may treat it as 'dormant' and restrict access to it. However, you will be able to activate your HiSAVE Savings Account by following the dormant account activation process which is available on request from us. Please ask us if you would like more information on dormant accounts. In any event the money in the dormant account will always remain your property, no matter how many years have passed.
- 6.18 Please note that if you do not use your HiSAVE Savings account internet banking password for a period of 6 successive months your password shall expire. In such a case, please contact our Customer Service Center to place a request for new password. You may also request for the password online using the 'Forgot Password' option on the login screen of our internet banking facility.
- 6.19 We may not accept instructions given by anyone who has 'Power of Attorney' (legal authority to act for you) unless we have to do so by law, or unless we choose to accept them.

7. Joint HiSAVE Savings Accounts

If you have opened a joint HiSAVE Savings Account, the following additional terms apply:

- 7.1 Each of you is liable individually as well as jointly for the joint HiSAVE Savings Account at all time. Please note that this applies even when your relationship breaks down. We may ask all or any one of you to carry out or perform all of the obligations as account holder. If there are any disputes that arise between the joint account holders, one or both of you should contact us in writing. On receipt of such notice we will only accept future instructions from the joint account holder who has been authorised by both of you. In order to do this we may have to change the holding pattern of your HiSAVE Savings Account for which we may need additional documentation and conduct additional procedures. We will inform you of what documents we will need and accept, what additional procedures need to be performed and what changes we can carry out in the holding pattern of your HiSAVE Savings Account, when we receive such a request from you. We will not be responsible for any transactions made or instructions given by either of you prior to receipt, and our validation, of any such instructions regarding the operation of your account.
- 7.2 We may give any information about your joint HiSAVE Savings Account to either of you. You authorise us to act on the instructions given to us by any one of you. If there are any errors, you must let us know as soon as possible.

- 7.3 In the event of death of either of you the joint HiSAVE Savings Account can be operated by the survivor.
- 7.4 A notice we send to one of you will count as a notice to all of you.
- 7.5 Once your passwords are active, either of you can give us instructions, which means that either of you will be able to withdraw money from your joint HiSAVE Savings Account without the other being involved. We do not have to confirm the instructions with the other account holder.
- 7.6 If we find out that either of you is, or may be declared, bankrupt, we may put a hold on your joint HiSAVE Savings Account and refuse to pay out any amount from it until we receive joint instructions from the account holder who is not bankrupt and the trustee in bankruptcy of the other account holder.
- 7.7 Either of you may instruct us to:
- 7.7.1 Make payments or transfer amounts from/into the HiSAVE Savings Accounts.
- 7.7.2 Set up Direct Debits or standing orders from the HiSAVE Savings Accounts.
- 7.7.3 Close the account and then transfer the balance to a new account in only one of your names.

In the event of conflicting instructions from joint account holders we reserve the right to refuse to carry out any transactions or further instructions until the instructions are clarified and confirmed by both of you in writing through the secured channel.

8. Security and Access

- 8.1 When you complete the application form for your HiSAVE Savings Account, we will ask you for some details to confirm your identity. You will also be given an option to choose your own internet banking password. When we have processed your application and opened your HiSAVE Savings Account, we will send you your User ID through e-mail. Please note that under no circumstances, we will ask you for your password in any verbal or written communication.
- 8.2 Your password and security details should be only used with your HiSAVE Savings Account and not for other purposes than internet banking.
- 8.3 You must not tell or give anyone your password or security details or allow another person to use them to access the secure area of the website.
- 8.4 You should do everything you can to keep your password and security details secret, including, without limitation, making sure they will not be kept in any way that other users of the same computer can use or access them and making no record of them in writing. This includes browsers, favourites, screen prompts or "save password" features or any other software. Please ensure that you do not mention your password when you call our Customer Service Centre.
- 8.5 You can give us instructions either verbally, by calling our Customer Service Center or through the logged in section in respect to your HiSAVE Savings Account. We may also address some of your queries through e-mail if the same is received from an e-mail ID registered with us at the time of application. If we cannot address the query over e-mail we will ask you to contact us through our website or by calling us at our Customer Service Centre. Other security details of your HiSAVE Savings Account must also be kept securely and should not be disclosed to anyone unless you know who they are and why they need them. This includes giving full information to a bank official or the Customer Service Centre.
- 8.6 In order for us to check and address any issues, you must tell us, by calling the Customer Service Centre, or sending us an email, if:
- 8.6.1 you suspect or know, that someone else knows your password or other security details;
- 8.6.2 you have forgotten your password or security details;
- 8.6.3 if you become aware of any technical incident or other fault linked to the way in which you access your account which might put the security of our services at risk;
- 8.6.4 if you become aware of any irregularities with any third party payment procedures on other websites or elsewhere which may lead to your account being used or accessed by someone without your authority.
- 8.6.5 you think that an unauthorised person is trying to use your HiSAVE Savings Account or that the password could have been accessed by others.

As soon as you tell us, we will change the password to prevent access to your HiSAVE Savings Account by any unauthorised third party.

- 8.7 We can ask you to confirm instructions by telephone, internet and other electronic means if we feel this is appropriate before acting on them, but we are not obliged to do so.
- 8.8 We may from time to time post other security procedures and instructions on the website, and you should check these before you make requests on your HiSAVE Savings Account. We may give security warnings and advice you on how to transact safely online.

9. Interest

- 9.1 We reserve the right to run promotions for new customers. These promotions may involve a higher interest rate than is available for existing customers. The current rate of interest payable on the HiSAVE Savings Account will be displayed on the website.
- 9.2 From 1st of January 2008, our Annualized Equivalent Rate (AER) rate is guaranteed to be 0.30% above Bank of England base rate till 31st of December 2011. During this period we shall implement any applicable increase in our rates within 30 working days of an increase in the Bank of England Base Rate.
- 9.3 AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. As every advertisement for a savings product which quotes an interest rate will contain an AER, you will be able to compare easily what return you can expect from your savings over time.
- 9.4 Calculation of Interest - We will calculate interest on a daily basis on the total balance available in your account at the end of the day at the advertised gross rate on all balances of £1 or more. No interest will be paid on funds of less than this amount. Interest will be calculated from the working day on which we receive the funds into your HiSAVE Savings Account. Interest will be paid on money transferred from your HiSAVE Savings Account up to, but not including, the day of transfer. If you have chosen monthly interest option, we will pay interest once each month on the last day of each month, and, if the last day is not a working day, on the next working day. If you have chosen yearly interest option, we will credit interest on 31st March of every year. For a new HiSAVE Savings Account, interest accrued for the first month will be credited into the HiSAVE Savings Account at the end of the second month. Interest is calculated and rounded off to the second decimal place.
- 9.5 Change of Interest Rate - We reserve the right to change the rate of interest at any time due the following reasons:
- 9.5.1 A change of Bank of England base rate;
- 9.5.2 Changes in market conditions;
- 9.5.3 Changes in the cost of providing the account and relating services to you;
- 9.5.4 Changes in the law or regulations affecting us; or
- 9.5.5 A decision or requirement made by a court, ombudsman, regulator or similar organisation;
- 9.5.6 We may change the interest rate on the account for any valid reason;
- 9.6 We will communicate the change in interest rate to you by posting it on the website , informing the Customer Service Centre or writing to you (by post or e-mail) within 30 days of the change.
- 9.7 Tax Deductions - We are governed by the regulations issued by HM Treasury and deduct withholding tax from the interest paid on the deposits in your HiSAVE Savings Account. We will pay interest net of income tax at the standard rate, unless you have told us you are a non-tax payer by sending us the appropriate HM Revenue and Customs form (available from us on request) completed to our satisfaction. If you have not followed this procedure but are a non-tax payer, you may be able to reclaim the tax from HM Revenue and Customs. Any interest paid before we are able to process your registration as a non-tax payer will be paid after deduction of tax. Please note that tax laws may change from time to time. If your circumstances change so that you need to pay tax on the interest on the HiSAVE Savings Account, you must immediately tell us of the same.

- 16.7 If you owe us money on any account when or after we close it, and you hold another account with us that has money in it, we may use the money from that account to pay us all or part of the amount you owe us on the account that we have closed. If we do this, we will tell you about it.
- 16.8 If you are not happy about your choice of savings account within 14 days of opening it, we will help you to switch to a different type of ICICI Bank UK PLC account or give you your money back with interest.
